Ali and Nino, two lovers from vastly different backgrounds, grow up together in carefree innocence in Baku on the Caspian Sea. Here, where Eastern and Occidental collide, they are inevitably drawn into the events of the First World War and the Russian Revolution. Torn apart by the turmoil, Ali joins the defense of Azerbaijan from the onslaught of the Red Army, and Nino flees to the safety of Paris with their child, not knowing whether they will ever see each other again. A sweeping tale, as romantic and gripping as Gone with the Wind or Dr. Zhivago, it portrays, against a gloriously exotic backdrop, the enduring love between childhood friends divided by their separate cultures.

A number book like no other, introducing children to the significance of different numbers and the things they are associated with. Did you know that an octopus has 3 hearts, every snowflake has 6 points, giraffes have 7 bone in their necks, cloud cover is measure in 'oktas' from 0 to 8, and that 9 is lucky in China (but unlucky in Japan)? An unusual approach to a numbers book and a gorgeous and slightly eccentric illustration style will make this title stand out in a crowded retail environment. By the team who worked together on the acclaimed My First 100 Words Book, Count to 100 and the award-winning Big Book of Colours (winner of the School Library Association's Under 7 Children's Choice Award 2016). An effortless and enjoyable way for children to learn about topics as diverse as fractions, counting, shapes, measuring, music, dates, animals, space, sports, geography and mythology through the magic of numbers.

The original contextualized approach brings grammar to life. Grammar in Context brings grammar alive through engaging and informative readings that are relevant to learners ' lives. National Geographic photography and stories deliver real-world content to improve grammar awareness and retention.
