A Better Life for Half the Price | Book Review

A Better Life at Half the Price is not. It is also not specific to one area and includes comments and feedback from over 50 expatriates who have halved their monthly expenses. The expatriates share their stories of how they live and how they have accomplished their lifestyle. They do not sugar-coat their experiences.

A Better Life for Half the Price presents Leffel's take on eighteen countries as potential residences. These countries are sprinkled around the globe. They include places already well populated with expats like Mexico, Panama, Ecuador, and Thailand.

Book Review: A Better Life for Half the Price

By relocating to a cheaper country, you can easily cut your cost of living by half and end up with a more fulfilling life in the process. While spending half as much, you could eat better, go out more, and have a better place to call home. "My pension alone is 3-4 times what the average Nica makes," American Jim Lynch told me over coffee in Granada.
