The math department at the University of Delaware has created a high-quality (and free!) AP Statistics practice test. It has 40 multiple-choice and 5 free-response questions. The questions are good; however, the links to the answer keys no longer work. For multiple-choice, click "score summaries" to see what the correct answers are. There's no way to see the free-response answers, but you already have a lot of official FRQ to use instead.
