Learn how to use Autodesk Fusion 360 to digitally model your own original projects for a 3D printer or a CNC device. Fusion 360 software lets you design, analyze, and print your ideas. Free to students and small businesses alike, it offers solid, surface, organic, direct, and parametric modeling capabilities. Fusion 360 for Makers is written for beginners to 3D modeling software by an experienced teacher. It will get you up and running quickly with the goal of creating models for 3D printing and CNC fabrication. Inside Fusion 360 for Makers, you'll find: Eight easy-to-understand tutorials that provide a solid foundation in Fusion 360 fundamentals DIY projects that are explained with step-by-step instructions and color photos Projects that have been real-world tested, covering the most common problems and solutions Stand-alone projects, allowing you to skip to ones of interest without having to work through all the preceding projects first Design from scratch or edit downloaded designs. Fusion 360 is an appropriate tool for beginners and experienced makers.

===== #1 Best Seller in Victorian Historical Romance ===== When Serena begins a new life working for the Hartreve family at 36 Marguerite Avenue she falls in love, not just with its eccentric and alluring inhabitants and their world, but with the house itself. Number 36 is a beautiful Victorian London mansion that has remained in the family for generations. Serena feels that by being here she has escaped the ghosts of her own sad childhood and found a true home, but she soon discovers that behind its gleaming surfaces Marguerite Avenue is plagued by secrets and mystery. Why does such a beautiful tranquil street seem sometimes to shimmer with menace? Is everyone in the family quite who they appear to be? And just what is it that the family is trying to hide from her? It is 1892. On a hot summer night scented with jasmine, Miranda Whitestone hosts a dinner party at 34 Marguerite Avenue. Watching helplessly as her husband is seduced by her glamorous neighbour Lucinda Eden, she can have no idea of the consequences the evening will have. For the history of Marguerite Avenue is more chilling than Serena could have imagined, and the fates of two women - the beautiful renegade Lucinda and the 'good wife' Miranda - will reach out from the past to cast a shadow over Serena's own future. The Room Beyond is a thriller that delves beneath the romance and grandeur of a London house and finds a family haunted by the legacy of past wrongdoings. As the suspense grows and the fog thickens, will Serena be able to give up all that she has come to love? Will she ever escape? *** To read a free sample, please scroll up and click the Look Inside feature on the top left hand side of the page *** *** Don't forget to leave a review below if you have enjoyed THE ROOM BEYOND *** REVIEWS ===== "This has all the ingredients of a perfect book. I adored it. The writing style is really good and the writer's use of language is very fluent and effortless" - Love Reading "Marsy" (Amazon Top 1000 Reviewer) "It's a very clever recreation of Victorian sensation writing at its very best - the best of gothic and romance brought uncomfortably into a domestic setting" - Welsh Annie (Amazon Top 1000 Reviewer) "the absolute joy of this novel for me was that it wasn't quite what I was expecting, but what it turned out to be was captivating and delectable" - Liz Wilkins (Amazon Top 500 Reviewer) "I was very impressed by the quality of writing ... Often I would come to a phrase or passage and pause to re-read it" - Clever Spud (Amazon Top 500 Reviewer) "an impressive first novel by an exciting new author. This book has it all; suspense, mystery and divine sexual sassiness!" - Halifax Student Account "This novel put me in mind of Wilkie Collins stories. Part of it is set in the same era as Collins wrote in and the other part is set in the present day" - Pyewacket Czarnowice (Amazon Top 500 Reviewer) "If it sounds like the start of a typical romance, don't be fooled - there is much, much more to this book" - Kerry "the book are peopled with larger than life, mysterious, often grotesque and sometimes sexy characters, all of whom are described vividly" - John Williams (Amazon Top 500 Reviewer) "It's a mystery/ghost story with a bit of romance sprinkled over" - Jothibasu Ramachandran "Romance, dark drama, paranormal happenings, and mystery are all elements in this well written story. The author definitely has a unique style of her own." - WRB

Andrew wants nothing more than to see his great-grandfather honored for World War II. He learns about Honor Flights, a program that flies veterans to Washington, D.C. to visit a memorial dedicated to them, but his great-grandfather refuses to go. Andrew becomes determined to inspire him to celebrate his bravery and dedication to his country. Children and adults will appreciate this patriotic, endearing tale.

The Handbook for Catholic Moms, Lisa M. Hendey’s eminently practical and award-winning resource, has helped new parents balance and integrate the deeply personal needs of their hearts, minds, bodies, and souls with the demands of family life and faith commitment. Since the first edition was published in 2010, it’s become an indispensable resource for two generations of Catholic moms, offering a unique perspective on all aspects of life and honest advice from fellow moms on topics ranging from marriage and finances to stress management and parish life. The Handbook for Catholic Moms is not a typical parenting book: It doesn’t offer tips for calming a fussy baby or dealing with adolescent angst. In caring for yourself—heart, mind, body, and soul—you can better love and care for your family, community, and Church, according to Lisa M. Hendey, founder of CatholicMom.com and bestselling author of The Book of Saints for Catholic Moms and The Grace of Yes. Hendey provides her personal stories and observations on a number of topics, including: stress reduction and sleep nurturing your marriage engaging in Mass as a family modeling lifelong learning to your children balancing your career with your vocation as a mother Each chapter includes relevant scripture references, quotations from saints or noted Catholic figures, commentary and perspectives from other Catholic writers, and checklists of suggested steps moms can take in bringing better balance and integration to their lives.

After Alex is kidnapped by the Untainted because of her own magical powers, her father Niall must use his own magic, and enter Bedlam, to save her.

Ten-year-old Portia Bennett and her friend Jason continue to search Toronto for clues to the origin of the purple monster, Jellaby—but things turn dangerous when they are confronted with a tentacled monster with a taste for children.

Only a demon can save the souls in Hell. Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She’s delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis’s fiercest demons, not to mention the responsibility of liberating the humans they’ve enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don’t want to get involved. War is approaching the werewolf sanctuary. If Heaven won’t help them, he’ll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel... keywords: demons, angels, urban fantasy novel, occult supernatural, supernatural suspense, paranormal romance, dark fantasy, exorcism exorcist, werewolves, werewolf pack

Visionary Dreariness: Readings in Romanticism's Quotidian Sublime undertakes a reconceptualization of the theoretical and experiential framework of the Romantic sublime by shifting the focus from Burke's and Kant's prescriptions of natural vastness and grandeur to the narrower but no less wondrous spaces, objects and experiences of everyday life. This shift is defined as a descent from mountaintops to an encounter, in William Blake's terms, with 'a World in a Grain of Sand.' The purpose of this book is to sift the literature of the Romantic everyday, both prose and poetry, canonical and noncanonical, for such grains. In order to define the inherently amorphous and subsumptive sphere called 'everyday life,' the author draws upon two main theoretical threads: the first, based on the phenomenological poetics of Gaston Bachelard, serves to elucidate the depth and diversity of everyday household space; the second, comprising the work of Henri Lefebvre and Michel de Certeau, defines the generative potential, what de Certeau glosses as the 'everyday creativity,' of some of the most basic human activities such as walking, reading and washing, to name but a few. The role of the everyday in Romantic literature has in recent years received greater scholarly attention, particularly from critics dissatisfied with the perpetuation of what Karina Williamson characterizes as a 'debased Romanticism which rules there is a category of experience and expression which is poetic and all the rest is ordinary and inadmissible.' The present study serves to map the intersections of these categories of experience and expression—the sublime and the quotidian—and thereby to challenge our assumptions about the aesthetic value of the everyday not only in the Romantic period but also in our own.
