The company closed the third quarter with 11.42 million pay-TV subscribers, 8.96 million of which were Dish TV subscribers. Dish has said the blackouts affect 5.4 million subscribers.

Why DirecTV and AT&T U-Verse customers can no longer watch ...

Channel selection is tied tightly into each TV provider's package — aside from total count, it's the essential difference between package tiers.. You'll find most of the basic and common channels with both providers, which makes sports channel selection the biggest difference between DISH and DIRECTV.

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

This volume gathers scholarship from varying disciplinary perspectives to explore media owned or created by members of the African diaspora, examine its relationship with diasporic audiences, and consider its impact on mainstream culture in general. Contributors highlight creations and contributions of people of the African diaspora, the interconnections of Black American and African-centered media, and the experiences of audiences and users across the African diaspora, positioning members of the Black and African Diaspora as subjects of their own narratives, active participants and creators. In so doing, this volume addresses issues of identity, culture, audiences, and global influence.

Packed with real-life examples and case studies, MANAGEMENT OF ELECTRONIC AND DIGITAL MEDIA, 6e, provides the latest information on the management and leadership techniques and strategies used in the electronic and digital media industries. The text is popular for its contemporary approach and clear, current illustrations. Succinctly written, the Sixth Edition covers the most important aspects for future managers, leaders and entrepreneurs in the rapidly evolving media industries -- and includes an all-new chapter: Media Management: Manager/Leader/Entrepreneur. New coverage highlights trends in big data, mobile, social media, and the cloud. In addition, end-of-chapter case studies put readers in the role of a manager in a decision-making environment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Simple Guide to Home Electronics helps the average person navigate the bewildering array of choices in the ever-changing world of home electronics that impact our day to day lives. A wide variety of topics from lightbulbs to the Internet, TV, Telephone, Cameras, and the Internet of Things (IoT) are explained without all the tech savvy jargon. Each chapter begins with a general overview and practical advice followed by more in-depth information that will give you an understanding of the type of products available and how they work. If you have ever considered disconnecting your cable TV, a smart thermostat or turning on the lights with a voice activated product, then this book is for you. The author's light conversational style along with his own engaging stories, humor and points of view make these complex topics easy to understand. The information is presented in free-standing independent chapters that can be referenced over and over again as you replace and update the technology in your home.

This two-volume set investigates the evangelical presence in America as experienced through digital media, examining current evangelical ideologies regarding education, politics, family, and government. • Compares and contrasts evangelical media across time and across platforms • Provides insight into the influence of the electronic church in the digital age • Documents the reach of the electronic church through radio, TV, and digital media • Reports what evangelical mass media is saying about today's key issues • Considers how voices within religious mass media persuade or dissuade the American public with their discourse

The Media Handbook provides a practical introduction to the advertising media planning and buying processes. Emphasizing basic calculations and the practical realities of offering alternatives and evaluating the plan, this sixth edition reflects the critical changes in how advertising in various media is planned, bought, and sold by today ' s industry professionals. Author Helen Katz looks at the larger marketing, advertising, and media objectives, and follows with an exploration of major media categories, covering paid, owned, and earned media forms, including digital media. She provides a comprehensive analysis of planning and buying, with a continued focus on how those tactical elements tie back to the strategic aims of the brand and the client. Also available is a Companion Website that expands The Media Handbook ' s content in an online forum. Here, students and instructors can find tools to enhance course studies such as chapter overviews, PowerPoint slides, and sample questions. With its emphasis on real-world industry practice, The Media Handbook provides an essential introduction to students in advertising, media planning, communication, and marketing. It serves as an indispensable reference for anyone pursuing a career in media planning, buying, and research.

Everything you need to know about Raleigh area real estate. Insider tips about buying and selling real estate in the Raleigh, NC area. Information about surrounding towns, and which is best for you and your family, including interviews with buyers who moved to the area within the last five years. Insight into employment opportunities, schools, health care, recreational and cultural activities, shopping, places of worship, climate, transportation, and more!

Learn the secrets outdoor industry won't tell you from TV show co-host, outdoor industry consultant, and TV show marketing director Dustin Vaughn Warncke in The Outdoor TV Show's Guide to the Industry. In this groundbreaking book, Warncke covers a wide variety of subjects such as: Prospecting and building relationships with sponsors and earning their favor. Airing your show on multiple traditional TV and Web TV platforms. Mistakes that most TV show teams make in the industry. How to build and audience and keep them coming back to your content. Producing quality content across multiple platforms. And MORE! The Outdoor TV Show's Guide to the Industry is filled with photos, screen shots, and several real world examples of proven techniques to grow your audience and film and produce quality content. This book was written to provide valuable insight for current and aspiring Outdoor TV Show Hosts. The inspiration for writing this book came through a partnership with the Co-Founders of DK Outdoor Adventures Outdoor TV Network and through a long standing relationship with the hosts of Mac and Prowler TV. This book provides valuable industry knowledge that has been gained through first hand experience. In this book , we will cover how to begin the journey of starting an Outdoor TV program on any budget, what separates home videos from actual TV shows and how networking to create benefit results in opportunity. Readers will learn strategies on how to achieve sponsorships, how to earn revenue through their programs, and how to dominate their industry by creating beneficial partnerships that offer massive exposure for their programs and for their sponsors. I hope this book will provide valuable insight into the world of Outdoor Industry Entertainment. While there are many verticals to begin gaining exposure for an outdoor show, there are very few that deliver the exposure level necessary to actually create income and value for the show host to sustain. This book will highlight different avenues to consider when trying to create income through an Outdoor TV program. After purchasing this book, we invite readers to contact us for assistance in beginning their journey to start their very own Outdoor TV Program.
