You should wash your hands before and after handling the dog and keep 2 metres away from other people and animals, including when handing over the dog to the owner.

Coronavirus (COVID-19): advice for people in England with ...

Guide dogs are assistance dogs trained to lead blind and visually impaired people around obstacles. Although dogs can be trained to navigate various obstacles, they are red-green color blind and incapable of interpreting street signs. The human does the directing, based on skills acquired through previous mobility training. The handler might be likened to an aircraft's navigator, who must know how to get from one place to another, and the dog is the pilot, who gets them there safely. In ...

They are extremely brilliant, so you need to know how to be the pack leader from day one. Unfortunately, many Boxers end up in shelters because they are not socialized properly. Use the key training points in this book to teach your Boxer to get along with your family, your pets and others that they may meet along life's journey. Come along on this journey as you master being a great Boxer owner. Inside the pages of this book, you will gain insight that only a lifetime of owning dogs can provide.

Traces the history of the breed, discusses a boxer's care requirements, and includes information on training and common health concerns.

A color-illustrated guide to boxer dogs that covers their history, purchasing, training, purebred sporting, daily care, health and dental care, traveling, communication, and identification.

Dedicated to the world's most versatile and handsome working breed, the Boxer, this Smart Owner's Guide, created by the editors at Dog Fancy magazine, offers the most up-to-date and accurate information every dog owner needs to become a well-informed caregiver for his dog. Illustrated with color photographs of adorable puppies and handsome adults, this easy-to-read primer is designed in a modern, lively manner that readers will find user-friendly and entertaining. Each Smart Owner's Guide offers a description of the breed's character and physical conformation, historical overview, and its attributes as a companion dog. The reader will find informative chapters on everything he or she needs to know about acquiring, raising, and training this remarkable purebred dog, including: finding a breeder and selecting a healthy, sound puppy; preparing for the puppy's homecoming, shopping for supplies, and puppy-proofing the home; house-training; veterinary and home health maintenance; feeding and nutrition; and grooming. Obedience training for basic cues (sit, stay, heel, come, etc.) and solving potential problem behaviors (barking, chewing, aggression, jumping up, etc.) are addressed in separate chapters, as are activities to enjoy with the dog, including showing, agility, therapy work, and more. Entertaining tidbits and smart advice fill up colorful sidebars in every chapter, which the editors call "It's a Fact," "Smart Tip," "Notable & Quotable," and "Did You Know?" Real-life heroes and rescue stories are retold in full-page

features called "Pop Pups" and "True Tails." Recipes, training, and care tips are highlighted in the "Try This" feature pages. The Smart Owner's Guide series is the only series that offers readers an online component in which dog owners can join a breed-specific online club hosted by dogchannel.com. At Club Boxer, owners of the breed can find forums, blogs, and profiles to connect with other breed owners, as well as charts and checklists that can be downloaded. More than just 20,000 pages of solid information, there's a host of fun to be had at the club in the form of downloadable breed-specific e-cards, screensavers, games, and quizzes. The Resources section of the book includes contact information for breed-related organizations and rescues, as well as practical guidance on traveling with dogs, identification, and locating qualified professionals to assist the dog owner, such as pet sitters, trainers, and boarding facilities. This information-packed Smart Owner's Guide is fully indexed.

With comprehensive coverage, authoritative text and excellent quality photographs this book contains all the information the owner of a Boxer will need. This popular and comprehensive guide to owning Boxers is relaunched in November 2005. The superb colour photography and practical information make this a must-have for all Boxer owners. The informative text is supported by superb, specially commissioned photographs of champion dogs and practical step-by-step photoguides to feeding, behaviour and grooming. The book is divided into three main sections: / You and your dog - breed characteristics and behaviour / Caring for your dog - practical information on feeding, training, grooming, exercising, breeding and showing / Healthcare - first aid, emergencies and disease prevention. From puppy to adult dog and covering everything from showing to breeding, this book really is the indispensable guide to caring for your Boxer.

Covers training tools, handling techniques, obedience exercises, socialization, and aggression problems.

Prior to this book, there was no basic manual for choosing, raising, and the handling of dogs whom people depend on for their personal and home defense.

Meet the Boxer is the first official publication endorsed by the American Kennel Club (AKC) on one of the world's most beloved working and companion dogs, the Boxer. Thanks to the experts at the AKC and the American Boxer Club, this volume offers the most accurate and authoritative information available on this breed. Eleven chapters detail the history of the breed, characteristics, and special requirements for owning this versatile German breed, heavily illustrated with beautiful color images of puppies and adults. A chapter devoted to the purchase and selection of the Boxer puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Two separate chapters serve as a primer to training the puppy--house-training and obedience work, favoring positive-training techniques as the best and most successful way to educate dogs. Chapters on home care, safety, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC, Meet the Boxer also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.
