Elle Strauss is the best selling author of otherworldly YA fiction. A married mother of four, Elle divides her time between BC, Canada and Dresden, Germany. She enjoys drinking coffee and eating chocolate in both places. She also writes upper YA/adult mixed genre romance as LEE Strauss.

The last year has been smooth sailing for Casey Donovan. She and her boyfriend Nate are doing better than ever, and things at home are good, too. Everything's been so calm, she hasn't " tripped " back to the nineteenth century in ages. Then the unthinkable happens and she accidentally takes her rebellious brother Tim back in time. It's 1862 with the Civil War brewing, and for Tim this spells adventure and excitement. Finding himself stuck in the past, he enlists in the Union army, but it doesn't take long before he discovers real life war is no fun and games. Casey and Nate race against the clock to find Tim, but the strain wears on their relationship. It doesn't help that the intriguing new boy next door has his sights on Casey, and isn't shy to let her know it. Can Nate and Casey find Tim in time to save him? And is it too late to save their love?

Casey Donovan has issues: hair, height and uncontrollable trips to the 19th century! And now this --she's accidentally taken Nate Mackenzie, the cutest boy in the school, back in time. Awkward. Protocol pressures her to tell their 1860 hosts that he is her brother and when Casey finds she has a handsome, wealthy (and unwanted) suitor, something changes in Nate. Are those romantic sparks or is it just “ brotherly ” protectiveness? When they return to the present, things go back to the way they were before: Casey parked on the bottom of the rung of the social ladder and Nate perched high on the very the top. Except this time her heart is broken. Plus, her best friend is mad, her parents are split up, and her younger brother gets escorted home by the police. The only thing that could make life worse is if, by some strange twist of fate, she took Nate back to the past again. Which of course, she does.

"Casey and Nate are back! High school senior Casey Donovan is in trouble. Again. If only she had trusted in Nate's loyalty when he traveled to Spain with his college basketball team - despite being accompanied by the cheerleading squad and Fiona the Floozy who'd made it super clear she wanted Nate for herself. Then she wouldn't have made that impulsive trip to Hollywood and let Austin do that stupid thing that threatened her relationship with Nate, and triggered a trip into the past. Only something is wildly wrong. She's not in the 1860s like she should be. It's 1929. And she didn't come alone."--page [4] of cover

"Like any other fourteen-year-old, Myri Anna Monaco has problems she doesn't know how to deal with: a crush on her best friend's boyfriend, a mother who's dating her science teacher, and a 'punishment' for a science-project-gone-wrong that lands her in the last place she wants to be-- in auditions for the school play. But most girls don't have what Myri has-- a ghost named Wren who not only lives at home, but who is willing to 'trade places' whenever she is needed"--P. [4] of cover.

"The stress created by Casey's recent split from Nate causes her to trip back in time in a haphazard manner, and not always to the same time! Sometimes she's in 1929 Boston getting more entangled than ever with the mishaps of her new and not-so-helpful friends, and at other times she's back in 1775 trying to make sure the colonists still win the war of Independence! Will the craziness ever stop? And will she and Nate work out things in time for graduation?"--page [4] of cover

From bestselling author Lee Strauss! ***Inspired by true events***** Available in German as Gef ä hrliche Zettel** "One of the best YA books I've read in a long time, Playing with Matches grabs you from page one and whisks you back to 1938 Germany. It's rare that I get so engrossed in a story that I feel as if I'm actually there. I have always wondered what it must have been like for those citizens of Germany who knew something wasn't quite right. Using actual real-life stories from those who lived through it, Lee Strauss paints a bleak picture of fear and survival. Her characters seem real and jump right off the page." - Steven Davenport "This book is an extremely heartbreaking and realistic look at World War II from a different perspective, from someone in Hitler's Army that doesn't want to be there. We so often hear about the atrocities that fell on the Jewish, but there isn't as much literature about everyday life for the non-Jewish Germans, especially those that didn't agree with Hitler. Told from the perspective of a child growing into a young adult at the worst time possible, this is a great read for teens as well as adults." - Valerie A. Baute Heinz Schultz's word could send a man to prison. Though only a youth of fifteen, he was strong, tall, and blond. The boys in his Deutsches Jungvolk unit esteemed him and feared him. And they wanted to be just like him. Emil Radle wanted to be just like him. A dedicated member of Hitler Youth, Emil was loyal to the Fuehrer before family, a champion for the cause and a fan of the famous Luftwaffe Air force. Emil's friends Moritz and Johann discover a shortwave radio and everything changes. Now they listen to the forbidden BBC broadcast of news reports that tell both sides. Now they know the truth. The boys along with Johann's sister Katharina, band together to write out the reports and covertly distribute flyers through their city. It's an act of high treason that could have them arrested—or worse. As the war progresses, so does Emil's affection for Katharina. He'd do anything to have a normal life and to stay in Passau by her side. But when Germany's losses become immense, even their greatest resistance can't prevent the boys from being sent to the Eastern Front. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; text-indent: 28.8px; font: 12.0px 'Times New Roman'} NOTE FROM THE EDITOR: This second edition has several minor revisions, including name changes to three minor characters, in order to add clarity and authenticity to the timeline.
