Blog tour: Coming Home by Priscilla Glenn + review & giveaway

Nov 13, 2016 - Coming Home by Priscilla Glenn: loved this book! I
loved the slow build up of the two main characters. He is my new book
boyfriend.

Leah Marino hasn't been on a date in two years. After discovering the
man she loved had manipulated and deceived her, she refuses to even
entertain the idea of a relationship. Instead, she focuses her
attention on taking care of her family, a role she's assumed since the
death of her mother and the one place she knows her kindness won't be
taken advantage of again. When a nostalgic trip back to her childhood
home results in a chance encounter with Danny DeLuca, a smart-mouthed
mechanic who's as attractive as he is mysterious, Leah's carefully
cultivated walls begin to crumble. She finds herself unexpectedly
drawn to Danny, despite his unreliable behavior and mixed signals. But
Danny has a secret... One that could shake Leah's already precarious
foundation and bring her world crashing down around her. Suddenly,
she's faced with an incredibly difficult decision--is she willing to
risk everything for the chance at finding the love she's always
wanted? Or are some obstacles just too big for the heart to overcome?

When Lauren Monroe first laid eyes on Michael Delaney back in high
school, she had every reason to stay away from him; within minutes of
their first encounter, his volatile actions confirmed his notorious
reputation. But Lauren saw something in him that caused her to
question his bad-boy persona, and against her better judgment, she
took a chance. She had no way of knowing that the unlikely friendship
they formed would become so important to her. Or that it would end so
painfully. Eight years later, when Lauren begins her new job at Learn
and Grow Day Care, Michael is the last person she expects to see.
Refusing to revisit the hurt and confusion of their past, Lauren vows
to keep her distance from him. But staying away from Michael proves to
be more difficult than she thought, despite her lingering grief and
her instincts for self-preservation. As Lauren and Michael recall the
friendship that changed them forever and the events that tore them
apart, will they finally be able to heal? Or will the ghosts of
Michael's past prove to be too much to overcome?

Online Library Coming Home Priscilla Glenn

Ever since the one time Andie Weber threw caution to the wind - and paid the price for it - she's learned that it's safer and smarter to live life playing by the rules. Now she's got a great apartment, a steady job, and a wonderful boyfriend in Colin; he's sweet, stable, and essentially perfect - except maybe for the fact that his best friend is Chase. Chase McGuire lives his carefree, unstructured life strictly for himself. Dripping sarcasm and oozing wit, he refuses to censor his feelings or opinions for anyone, making no apologies for either and wearing his abrasiveness like a badge of honor. No one has ever gotten under Andie's skin the way Chase does - and vice versa. So when Andie and Chase find themselves forced to take a two-day road trip together, they are already dreading an inevitable all-out war. But as the trip progresses, and the undeniable friction that has always defined their relationship slowly begins to wear away their preconceived notions of each other, Andie and Chase discover they both have a lot to learn about life, courage, happiness, and the age-old battle between logic and love.

"The Place Beyond the Winds" by Harriet T. Comstock. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

When nursing student Avery Michaels begins seeing sexy tattoo artist Bennett, who is more interested in a relationship than a no-strings attached affair, she must make a difficult decision—let him go or finally let him in. Original.

"Wonderful . . . a rousing dramatization of history's greatest sea battle." -James D. Hornfischer, author of *The Last Stand of the Tin Can Sailors* "I shall return" is General Douglas MacArthur's promise to the Filipinos. It will take 165,000 troops and 700 ships in the bloody battle of Leyte Gulf to do it. Among them is the destroyer USS *Matthew* and her skipper, Commander Mike Donovan, a veteran haunted by earlier savage battles. What Donovan doesn't know is that Vice Admiral Takao Kurita of Japan has laid an ingenious trap as the *Matthew* heads for the treacherous waters of Leyte Gulf. But Donovan faces something even deadlier than Kurita's battleships: Explosives secretly slipped on board American ships by saboteurs are set to detonate at any time. Now the *Matthew*'s survival hinges on the ability of Donovan and his men to dismantle a bomb in the midst of the panic and the chaos of history's greatest naval battle. "Gobbell's sea tales . . . will have you looking up your nearest Navy recruiter." -W.E.B. Griffin "[John Gobbell is] a first-rate storyteller." -Stephen Coonts From the Paperback edition.

Since its initial publication, scholars and students alike have turned to *Keywords for American Cultural Studies* as an invaluable resource for understanding key terms and debates in the fields of American studies and cultural studies. As scholarship has continued to evolve, this revised and expanded second edition offers indispensable meditations on new and developing concepts used in American studies, cultural studies, and beyond. It is equally useful for college students who are trying to understand what their teachers are talking about, for general readers who want to know what's new in scholarly research, and for professors who just want to keep up. Designed as a print-digital hybrid publication, *Keywords* collects more than 90 essays—30 of which are new to this edition—from interdisciplinary scholars, each on a single term such as "America," "culture," "law," and "religion." Alongside "community," "prison," "queer," "region," and many others, these words are the nodal points in many of today's most dynamic and vexed discussions of political and social life, both inside and outside of the academy. The *Keywords* website, which features 33 essays, provides pedagogical tools that engage the entirety of the book, both in print and online. The publication brings together essays by scholars working in literary studies and political economy, cultural anthropology and ethnic studies, African American history and performance studies, gender studies and political theory. Some entries are explicitly argumentative; others are more descriptive. All are clear, challenging, and critically engaged. As a whole, *Keywords for American Cultural Studies* provides an accessible A to Z survey of prevailing academic buzzwords and a flexible tool for carving out new areas of inquiry. Visit keywords.nyupress.org for online essays, teaching resources, and more.

Looks at the history of Barbie dolls, and gives information on determining their value, preserving them, and buying or selling them

Snow angels: "Priscilla Miller has closed off her heart since the buggy accident that took the lives of her father and brother. Will Tobias Fisher and his quest for making snow angels break her heart or mend it?"--Cover verso.
