Core Microeconomics 3e Eric Chiang

"The CORE curriculum was the perfect introduction to my economics course, as it introduced me to a diverse set of topics and analytical tools that equipped me to think critically about economics. The discussion sections were particularly interesting and inspired me to ask my own questions, which eventually led to my fascination with my current research topic on agent based modelling."

Core Microeconomics Chiang - indivisiblesomerville.org

This is a textbook required for a college course of mine, and I will admit that I am extremely glad the professor chose this book. Typically colleges go for textbooks from 2 certain major publishers (1 starting with 'Cen', the other starting with 'Pea' ...) and what I noticed about those books is that their books seem to share a lot of information between each other.
