This is Limmy's second book. It's a whole load of new, odd, and hilariously grim short stories.

The hysterical, shocking and incredibly intimate memoir from one of the most original and unique comedians alive today.

Fitba (football, soccer) is truly the world's game. It evokes the deepest emotions in the millions who play and watch it in almost every corner and culture around our globe. So where does this passion come from? Some of it is certainly inherent in genes, especially in respect of playing ability. However millions who have never played at any serious level are amongst the most fanatical of all. Like most addictions it is something formed by steady consumption over a prolonged period. Alcohol, nicotine and cocaine have much more obvious routes to our bloodstream but I firmly believe that soccer can get there too. It can ultimately provide such an overwhelming sensation of joy that the brain craves repetition of that euphoria, even if it may have to wait thirty years or more between very brief highs. Here's a true life story which provides a detailed insight into the environment and twists of fate which contrive to addict one Scottish boy and sustain that addiction even when he moves to America. They have soccer

in America? Oh yeah, more than you can imagine.

'Before Benny, nobody from the Gorbals became World Champion of anything...' Benny Lynch was Scotland's first World Boxing Champion and the most talked-about British sportsman of his generation. In fact, many consider him to be the finest fighter the country has ever produced. Benny is the amazing account of how Lynch battled his way above and beyond the 'fifty-shilling men' of his home town of Glasgow to become the champion of Scotland, Britain, Europe and the world, earning a reputation as one of the greatest pugilists of all time. But this absorbing biography also details how his career sadly came to a premature halt because of Lynch's alcoholism, which destroyed his health and led to him being abandoned by his countless followers. It took his tragic death at the age of only 33 to restore the fallen idol to legendary status again. The gritty reality of the daily grind of life in the Depression-era Gorbals is captured vividly in this remarkable story of the rise and tragic fall of a fighting legend.

THE SUNDAY TIMES BESTSELLER 'Connolly's raucous run through his life is as furious, funny and foul-mouthed as you'd expect' Sunday Times In December 2018, after fifty years of belly-laughs, energy and outrage, Billy Connolly announced his retirement from live stand-up comedy. It

## Download Free Daft Wee Stories

had been an extraordinary career. When he first started out in the late sixties, Billy played the banjo in the folk clubs of Scotland. Between songs, he would improvise a bit, telling anecdotes from the Clyde shipyard where he'd worked. In the process, he made all kinds of discoveries about what audiences found funny, from his own brilliant mimes to the power of speaking irreverently about politics or explicitly about sex. He began to understand the craft of great storytelling. Soon the songs became shorter and the monologues longer, and Billy quickly became recognised as one of the most exciting comedians of his generation. Billy's routines always felt spontaneous. He never wrote scripts, always creating his comedy freshly on stage in the presence of a live audience. A brilliant comic story might be subsequently discarded, adapted or embellished. A quick observation or short anecdote one night, could become a twenty-minute segment by the next night of a tour. Billy always brought a beautiful sense of the absurd to his shows as he riffed on his family, hecklers, swimming in the North Sea or naked bungee jumping. But his comedy can be laced with anger too. He hates pretentiousness and calls out hypocrisy wherever he sees it. His insights about the human condition have shocked many people, while his unique talent and startling appearance on stage gave him license to say anything he damn well pleased about sex, politics or religion. Billy got away with it because he has

## Download Free Daft Wee Stories

always had the popular touch. His comedy spans generations and different social tribes in a way that few others have ever managed. Tall Tales and Wee Stories brings together the very best of Billy's storytelling for the first time and includes his most famous routines including, The Last Supper, Jojoba Shampoo, Incontinence Pants and Shouting at Wildebeest. With an introduction and original illustrations by Billy throughout, it is an inspirational, energetic and riotously funny read, and a fitting celebration of our greatest ever comedian.

'The ultimate warrior's tale' Manda Scott, author of Boudica When Leary, a Roman charioteer, is shipwrecked at the edge of the known world, he fears for his life. Whispers had reached Rome of blue-painted demons in the trees of this gods-forsaken land beyond Brittania: Ireland. But the people of this country welcome him into the court of King Conor, which throngs with heroes boasting, drinking and telling stories of their exploits in battle. There he meets a young boy, an outsider whose birth is shrouded in mystery: Cuchulainn, who will one day become Ireland's greatest warrior. Cuchulainn's exploits become the stuff of legend as he grows. But when the armies of the vengeful Queen Maeve gather at the gates of Emain Macha, Cuchullain must face both his greatest challenge and his dark

## Download Free Daft Wee Stories

destiny... Retold as never before, this is a thrilling, timeless tale of heroism and friendship, of love and betrayal, of war and poetry. This is the story of Cuchullain, the Hound of Ulster, perfect for fans of Conn Iggulden, Bernard Cornwell and Giles Kristian.

The Gospel According to Blindboy is a surreal and genre-defying collection of short stories and visual art exploring the myths, complacencies and contradictions at the heart of modern Ireland. Covering themes ranging from love and death to sex and politics, there's a story about a girl from Tipp being kicked out of ISIS, a van powered by Cork people's accents and a man who drags a fridge on his back through Limerick. Whip-smart, provocative and animated by the author's unmistakably dark wit, it is unlike anything else you will read this year. 'Mad, wild, hysterical, and all completely under the writer's control - this is a brilliant debut.' Kevin Barry 'There is genius in this book, warped genius. Like you'd expect from a man who for his day job wears a plastic bag on his head but something beyond that too. Oddly in keeping with the tradition of great Irish writers.' Russell Brand 'One of Ireland's finest and most intelligent comic minds delivers stories so blisteringly funny and sharp your fingers might bleed.' Tara Flynn 'Essential, funny and disturbing.' Danny Boyle
