Death Scenes: A Homicide Detective's Scrapbook: A ...
These are old-school scene-of-death photos from the 30's-50's collected by a former Los Angeles Homicide Detective. The guy had his own scrapbook. All photos are in black & white and are very graphic. Most photos are of murder scenes. Some are suicides and accidents. A few are also of unusual physical diseases.

For the most part, homicide detectives and crime scene investigators are two different professions, from two different departments. In order to become a detective, you must first be a police officer and pass the detective exam. To become a CSI, you don't necessarily have to be a police officer. However, there are many departments who train ...
