In Enterprise Risk Management: From Incentives to Controls, Lam distills twenty years worth of experience in this field to give you a clear understanding of both the art and science of enterprise risk management.

Enterprise Risk Management: From Incentives to Controls ...

Most risk models are simply incapable of accurately predicting the complex scenarios that could lead to financial disaster, which is why Enterprise Risk Management: From Incentives to Controls, Second Edition posits that your company's risk profile—and ultimately the success or failure of its risk management strategy—is driven by the decisions and actions of its leadership and employees.

Enterprise Risk Management: From Incentives to Controls ...

When the first edition of "Enterprise Risk Management; from Incentives to Controls" appeared in 2003, it seemed as if the business world – at least in the U.S. - was in disarray. The bankruptcy of Enron in 2001, the collapse of WorldCom in 2002, the shutdown of Arthur Anderson – the auditor of both companies - and the arrests of the senior management of Tyco were resonating in the marketplace.
