Editor's Note: The 2017 Bosch Benchmark series dishwashers, including the SHE89PW55N, are nearing the end of their life cycle, and will soon no longer be available for purchase. These dishwashers have been replaced by the 2019 Bosch Benchmark Series dishwashers. The Bosch SHE89PW55N is one of the models in Bosch's flagship Benchmark series. While the Benchmark dishwashers may cost a lot more than other models, they do offer some niceties for more discerning customers.

The 500 Series. With only 10 options, the Bosch 500 Series is the simplest in the company's lineup. 500 Series dishwashers have all the same features as the 300 Series, but add a more flexible third rack setup. They range in price from \$805 for pocket-handle models to \$855 for the single bar-handle model.

I have a Bosch dishwasher, model shu 4300. The problem is that it does not appear to be draining. There is water leaking onto the floor from under the dishwasher and there is some water in the bottom of the dishwasher. More water leaks from under the dishwasher when I run water into the kitchen sink drain for five minutes of longer.
