EXTRAORDINARY! This has become one of my most favorite series! Absolutely get your hands on it! Boy Nobody is a fast-paced, heart-pounding thriller YA novel, which reminds me of Matt Damon and the Bourne Identity. Fascinating, fabulous characters and NYC setting.

From Book 1: The explosive new thriller for fans of Jason Bourne, Robert Muchamore and Michael Grant, now republished under new title The Hit. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school, in a new town, under a new name, makes few friends and doesn't stay long.

Boy Nobody (3 book series) Kindle Edition
Zadoff comes close with his Boy Nobody series, now called the Unknown Assassin series. This first book is a zinger loaded with surprising twists and turns that seem familiar, but instantly charge off in unexpected directions. I like the first-person narrative because I was instantly involved with the character.

“Nobody! acknowledges the isolating and painful effects of bullying, while letting children know that they are not alone. This book offers a holistic view of bullying prevention that recognizes the needs of all of the children involved, including the target, bystanders, and the child who is bullying. Using simple, yet powerful language, Nobody! helps children embrace what makes them special and unique, and provides positive steps to help stop bullying in their schools.
