"Elvis Cole provides more fun for the reader than any L.A. private eye to come along in years."--Joseph Wambaugh "Elvis lives, and he's on his way to being crowned the king of detectives."--Booklist

Meet Elvis Cole, L.A. Private Eye. . . . He quotes Jiminy Cricket and carries a .38. He's a literate, wisecracking Vietnam vet who is determined to never grow up. When quiet Ellen Lang enters Elvis Cole's Disney-Deco office, she's lost something very valuable—her husband and her young son. The case seems simple enough, but Elvis isn't thrilled. Neither is his enigmatic partner and firepower, Joe Pike. Their search down the seamy side of Hollywood's studio lots and sculptured lawns soon leads them deep into a nasty netherworld of drugs, sex—and murder. Now the case is getting interesting, but it's also turned ugly. Because everybody, from cops to starlets to crooks, has declared war on Ellen and Elvis. For Ellen, it isn't Funtown anymore. For Elvis, it's just a living . . . He hopes. Praise for *The Monkey's Raincoat* —Outstanding characters, tight plot, and scintillating prose style. . . . A brilliant new crime novel from the beloved, bestselling, and award-winning master of the genre, *A Dangerous Man* centers on Joe Pike's most perilous case to date. Joe Pike didn't expect to rescue a woman that day. He went to the bank same as anyone goes to the bank, and returned to his Jeep. So when Isabel Roland, the lonely young teller who helped him, steps out of the bank on her way to lunch, Joe is on hand when two men abduct her. Joe chases them down, and the two men are arrested. But instead of putting the drama to rest, the arrests are only the beginning of the trouble for Joe and Izzy. After posting bail, the two abductors are murdered and Izzy disappears. Pike calls on his friend, Elvis Cole, to help learn the truth. What Elvis uncovers is a twisted family story that involves corporate whistleblowing, huge amounts of cash, the Witness Relocation Program, and a long line of lies. But what of all that did Izzy know? Is she a perpetrator or a victim? And how far will Joe go to find out?

—Terrific entertainment . . . A powerful portrait of Los Angeles in our time: swift, colorful, gripping, a real knockout. —Dean Koontz The day starts like any other in L.A. The sun burns hot as the Santa Ana winds blow ash from mountain fires to coat the glittering city. But for private investigator Joe Pike, the city will never be the same again. His ex-lover, Karen Garcia, is dead, brutally murdered with a gun shot to the head. Now Karen's powerful father calls on Pike (a former cop) and his partner, Elvis Cole, to keep an eye on the LAPD as they search for his daughter's killer—because in the luminous City of Angels, everyone has secrets, and even the mighty blue have something to hide. But what starts as a little procedural hand-holding turns into a deadly game of cat-and-mouse. For a dark web of conspiracy threatens to destroy Pike and Cole's twelve-year friendship—if not their lives. And L.A. just might be singing their dirge. Praise for *L.A. Requiem* —One of the best crime novels I've ever read. Absolutely terrific! —David Baldacci —Darker, denser, deeper, and more satisfying than anything he's written before. —The Denver Post —[A] whodunit with salsa and soul . . .
