Montgomery bus
boycott, the end of
segregation on buses.

Presents the life of
the Alabama teenager
who played an
integral role in the

Montgomery bus
strike, once by

Online Library Freedom

refusing to give up a bus seat, and again, by becoming a plaintiff in the landmark civil rights case against the bus company.

Traces the events in the Montgomery, Alabama, bus boycott which began in December, 1955, and changed the course of

Online Library

Freedom

the civil rights
movement.

This biography
examines Parks's life
and 60 years of
activism and brings
the multifaceted,
decades-long civil
rights movement in
the North and South
to life for young
readers. Rosa Parks
is one of the most well-

Online Library Freedom

known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. In this young readers' edition of the NAACP Image Award--winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis shatters the myths that Parks

Online Library Freedom

was meek, accidental, tired, or middle class. She reveals a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks,

Online Library Freedom

from meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to

Online Library Freedom

leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate

Online Library Freedom

view of the Black
freedom struggle
across the 20th
century. Theoharis
shows young readers
how the national fable
of Parks and the civil
rights
movement--celebrate
d in schools during
Black History
Month--has warped
what we know about
Parks and stripped

Online Library Freedom

away the power and substance of the movement. The Rebellious Life of Mrs. Rosa Parks illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black

Online Library Freedom

people--and how
Rosa Parks was a key
player throughout.
Rosa Parks placed
her greatest hope in
young people--in their
vision, resolve, and
boldness to take the
struggle forward. As a
young adult, she
discovered Black
history, and it
sustained her across
her life. The

Online Library Freedom

Rebellious Life of Mrs.
Rosa Parks will help
do that for a new
generation.

Bus Boycott

Through a
reexamination of the
earliest struggles
against Jim Crow,
Blair Kelley exposes
the fullness of African
American efforts to
resist the passage of
segregation laws

Online Library Freedom

dividing trains and
streetcars by race in
the early Jim Crow
era. Right to Ride
