The Japanese Language Proficiency Test (JLPT) is the standardized test taken by everyone who wants to study or work in Japan.

Updated to include the 196 new kanji approved by the Japanese government in 2010 as [general-use] kanji, the sixth edition of this popular text aims to provide students with a simple method for correlating the writing and the meaning of Japanese characters in such a way as to make them both easy to remember. It is intended not only for the beginner, but also for the more advanced student looking for some relief from the constant frustration of forgetting how to write the kanji, or for a way to systematize what he or she already knows. The author begins with writing the kanji because[contrary to first impression]it is in fact simpler than learning how to the pronounce them. By ordering the kanji according to their component parts or [primitive elements] and then assigning each of these parts a distinct meaning with its own distinct image, the student is led to harness the powers of [imaginative memory] to learn the various combinations that make up the kanji. In addition, each kanji is given its own key word to represent the meaning, or one of the principal meanings, of that character. These key words provide the setting for a particular kanji's [story,] whose protagonists are the primitive elements. In this way, one is able to complete in a few short months a task that would otherwise take years. Armed with the same skills as Chinese or Korean students, who know the meaning and writing of the kanji but not their Japanese pronunciations, one is then in a much better position to learn the readings (which are treated in a separate volume). Remembering the Kanji has helped tens of thousands of students advance towards literacy at their own pace, and to acquire a facility that traditional methods have long since given up on as all but impossible for those not raised with the kanji from childhood.

The only book of its kind in English, Japanese for Healthcare Professionals is a proficiency-based conversation textbook offering a complete Japanese language course that teaches Japanese grammar along with the vocabulary of medical care. With nearly three million Japanese tourists visiting the United States last year, and another five hundred thousand expatriates residing in the US and other English-speaking countries, it is inevitable that many Japanese speakers find themselves in need of healthcare but unable to communicate. Important highlights of this book are: Accompanying MP3 Audio Disc. No prior knowledge of Japanese necessary. For all professionals seeking to communicate in healthcare situations. Includes an English/Japanese dictionary of medical terms, a glossary of common complaints, and a sample bilingual medical questionnaire. Japanese for Healthcare Professionals offers a complete language course for classroom study or independent learners that teaches Japanese grammar along with the medical Japanese vocabulary. The chapters cover every step of a patient's interaction with care providers, from appointments and admissions to the physical examination, symptoms and illnesses, diagnosis, treatment, instructions to the patient, discharge, and follow-up. Chapters are devoted to the major branches of medicine as well as dentistry and to the corresponding bodily systems. There are also chapters on anatomy, infection and disease, and visits to the pharmacy. Each chapter follows a natural progression designed to help the learner comprehend the new material and acquire the language as effortlessly as possible. Each includes: basic Japanese vocabulary, a situational dialogue, Japanese grammar points and key Japanese language and culture notes, exercises and practice drills, and a quiz to sharpen comprehension. The culture and language notes seek to help the provider understand better a Japanese patient's cultural framework and patterns of belief, as well as the "un-translatable" meaning conveyed by certain idioms. The accompanying MP3 audio disc tries ties in core parts of each chapter, allowing learners to practice their spoken language skills outside a classroom setting. The book also includes thirty illustrations to help with vocabulary acquisition, a pronunciation guide, an English/Japanese dictionary of medical terms, a glossary of Japanese expressions for common complaints, a sample bilingual medical questionnaire, and answers to the quizzes. Emphasizing the learner's practical use of the Japanese language for healthcare settings and the importance of culture in understanding, Japanese for Healthcare Professionals reflects the national standards in foreign language education set by the American Council on the Teaching of Foreign Languages (ACTFL).

Learn over 2,000 Japanese Kanji characters with this user-friendly Japanese language-learning book. This unique Kanji study guide provides a comprehensive introduction to all the Kanji characters on the Japanese Ministry of Education's official Joyo ("General Use") list[providing detailed notes on the historical development of each character as well as all information needed by students to read and write them. As fascinating as it is useful, this is the book every Japanese language learners keeps on his or her desk and visits over and over. This Kanji book includes: Clear, large-sized entries All of the General Use Joyo Kanji Characters Japanese readings and English meanings stroke-count stroke order usage examples mnemonic hints for easy memorization The components which make up each character are detailed, and the Kanji are graded in difficulty according to Ministry of Education guidelines, allowing students to prioritize the order in which the Kanji are learned and track their progress. This book is essential to anyone who is planning to take the official Japanese Language Proficiency Test (JLPT) and will appeal to beginning students as well as those who wish to attain higher-level mastery of the Japanese language. It is the only book that also provides historical and etymological information about the Japanese Kanji. This latest edition has been updated to include all of the 2,136 Kanji on the expanded Joyo list issued by the Japanese government in 2010. Many entries have been revised to include the most recent research on character etymologies.

This is a comprehensive, self-study workbook for learning Japanese characters. Mastering Japanese Kanji can help you greatly reduce the time and effort involved in learning to read Japanese and write Japanese. It does so by introducing a method that is both effective and easy to use in memorizing the meanings and pronunciations of Kanji[the array of characters that are used in the Japanese language to symbolize everything from abstract ideas to concrete nouns. Learning any of the kanji is a two step process, requiring that you remember both the visual aspect of a character (so you can recognize it when you see it) and the aural aspect (so you will know how to say and, thus, read it). The method employed by Mastering Japanese Kanji will show you how to tackle both of these aspects from the outset, and by so doing enable you to immediately get down to the practical (and fun!) business of recognizing and reading kanji on everything from street signs to newspapers. By the time you finish this book, in fact you will be able to boast of a Japanese vocabulary numbering in the thousands of words. Key features: Corresponding CD-ROM helps to reinforce the written material Teaches the 200 most common kanji and the hundreds of compounds that use include them. Unique, specially[designed drawings and entertaining stories help you learn more quickly. Sample sentences, along with common words and compounds, expand your vocabulary by showing each kanji used in context. Stroke/order diagrams show the correct way to write each chapter. Chapter and cumulative review exercises help ensure master of what you've learned. Complete indexes show Japanese readings and English meanings for all Kanji. Contents of the CD-ROM: Stroke order animations for all 200 kanji characters. Native speaker audio recordings of all: Kanji characters. Common words and compounds. Sample sentences.
