Here is a step-by-step guide to using visualizations and imagery so that you can heal using the power of the subconscious mind. Choose a quiet and calm location. Relax and let go of all your thoughts so that your mind is free from all the tensions and worries of life. You can do this by concentrating on your breathing.

## ~~Use the Power of the Subconscious Mind to Heal Yourself~~

People with depression believe in those negative thoughts. The negative thoughts are always false to begin with, but only in believing in them are they made real and can then negatively change the brain. Thus, the first step to believing the mind can heal itself is to realize the negative thoughts are false.
