newsletter Wine Times, and the journal you have in your hands, as well as snippets from Johnson's bestselling books—has many moments where the writing transcends the ostensible subject matter.' The World of Fine Wine One of the world's great authorities on wine, Hugh Johnson has been writing on the subject (among others) for almost six decades. This selection chronicles his personal take on developments that have revolutionised the industry for half a century and more. Johnson's prose describes as no one else can the endlessly fascinating characters and landscapes of the wine world. He tells of setting sail with sybarites and braving the perfect storm, he debates at length the Pleasure Principle, lip-smacks through decadent dinners, teaches and learns in Tokyo and files breathless dispatches from Beijing. He bids a poignant farewell to the loveliest vintages, decries peremptory judgement and urges the Slow Food philosophy; falls in love (again), this time with Tokaji, tells warm winter tales through a vintage port and sets out a summer picnic at the source of the Seine – all the while dryly annotating the scribbles of his younger self with contemporary marginal hindsights. This thoughtful, illuminating collection will delight not only lovers of wine, food, history and travel but also anyone who enjoys the intoxicating power of words.

Written by the world's bestselling wine author, this new illustrated edition is an enthralling read, tracing the story of wine from the dawn of civilization through the bacchanalian splendor of the ancient world to the present day. Italy's Native Wine Grape Terroirs is the definitive reference book on the myriad crus and the grand cru wine production areas of Italy's native wine grapes. Ian D'Agata's approach to discussing wine, both scientific and discursive, provides an easy-to-read, enjoyable guide to Italy's best terroirs. Descriptions are enriched with geologic data, biotype and clonal information, producer anecdotes and interviews, and facts and figures compiled over fifteen years of research devoted to wine terroirs. In-depth analysis is provided for the terroirs that produce both the well-known wines (Barolo, Chianti Classico, Brunello di Montalcino) and those not as well-known (Grignolino d'Asti, Friuli Colli Orientali Picolit, Ischia). Everyday wine lovers, beginners, and professionals alike will find this new book to be the perfect complement to D'Agata's previous award-winning Native Wine Grapes of Italy.
