organization" (Samson & Daft 2005).

Since human resource management it mainly dealing with workforce, employee motivation is one important component of this area.

Different Theories of Human Resource Management / 123 Help Me

Herzberg's Hygiene theory states that for employees to be motivated, certain conditions need to exist and the absence of these conditions or the hygiene factors demotivate the employees. The point that is being made in this theory is that the presence of hygiene factors is a precondition for performance and is not a determinant of performance.
