Identical This book, like all of the others in Hopkins's repertoire, is filled with edginess. This one, unlike some of the others that I've read, is so disturbing that I had a tough time reading it. Maybe I'm just emotional or something, but I had an almost physical aversion to a couple of the characters in this book.

Ellen Hopkins is a talented writer, but this is a slow, dark story. It is narrated very well by Laura Flanagan who portrays both sisters with distinctly different personalities. It is very contemporary and the sisters are dealing with issues faced by today ' s high schoolers as well as facing challenges which have been around since time began. The story is gripping, but oh so dark.

Do twins begin in the womb? Or in a better place? Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district-court judge father and a politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love, intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so she chooses drugs, alcohol, and sex. Secrets like the ones the twins are harboring are not meant to be kept -- from each other or anyone else. Pretty soon it's obvious that neither sister can handle it alone, and one sister must step up to save the other, but the question is -- who?

Northern Nevada teenagers Cara, Kendra, Sean, and Andre, tell in their own voices of their very different paths toward perfection and how their goals change when tragedy strikes.

Five troubled teenagers fall into prostitution as they search for freedom, safety, community, family, and love in this #1 New York Times bestselling novel from Ellen Hopkins. “ When all choice is taken from you, life becomes a game of survival. ” Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching...for freedom, safety, community, family, love. What they don ' t expect, though, is all that can happen when those powerful little words “ I love you ” are said for all the wrong reasons. Five moving stories remain separate at first, then interweave to tell a larger, powerful story—a story about making choices, taking leaps of faith, falling down, and growing up. A story about kids figuring out what sex and love are all about, at all costs, while asking themselves, “ Can I ever feel okay about myself? ” A brilliant achievement from New York Times bestselling author Ellen Hopkins—who has been called “ the bestselling living poet in the country ” by Mediabistro.com—Tricks is a book that turns you on and repels you at the same time. Crank. Glass. Ice. Crystal. Whatever you call it, it's all the same: a monster. And once it's got hold of you, this monster will never let you go. Kristina thinks she can control it. Now with a baby to care for, she's determined to be the one deciding when and how much, the one calling the shots. But the monster is too strong, and before she knows it, Kristina is back in its grips. She needs the monster to keep going, to face the pressures of day-to-day life. She needs it to feel alive. Once again the monster takes over Kristina's life and she will do anything for it, including giving up the one person who gives her the unconditional love she craves -- her baby. Does it get better? The New York Times bestselling author of Crank and Tricks explores the highly charged landscapes of bullying and forgiveness in this “ strong and worthy ” (Kirkus Reviews) novel. Matthew Turner knows it doesn ' t get better. His younger brother Luke was bullied mercilessly after one of Matt ' s friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt ' s family is falling apart. No matter what his girlfriend Hayden says about forgiveness, there ' s no way Matt ' s letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common. With brilliant sensitivity and emotional resonance, bestselling author Ellen Hopkins ' s Rumble explores bullying and suicide in a powerful story that examines the value of forgiveness and reconciliation.
