INCREDIBLE YOU is a fantastic read, especially for younger-aged children, my kids are ages 5 and 3. My 3-year old refers to this book as, "My book, Mom." I think its greatest appeal resides in its 10 easy to understand lessons, much like the human hand, I remind my 3-year old with brilliant illustrations by Melanie Siegel that are large [takes up the whole page], colorful, and offer a flair of ...

Now available in a new format and a fresh package: the New York Times best-selling children's book by beloved spiritual teacher Dr. Wayne W. Dyer that teaches children 10 concepts for successful, passionate, self-actualized living. Newly repackaged with a fresh format and cover is Dr. Wayne W. Dyer's New York Times best-selling children's book, based on the 10 concepts from his New York Times bestseller for adults 10 Secrets for Success and Inner Peace. Wayne always said that it's never too early for children to know that they're unique and powerful beings, and that they have everything they need within themselves to create happy, successful lives. With this book, parents can introduce these important ideas to their children. The 10 concepts are numbered, titled, and set in rhyming verse, with vibrant illustrations by Melanie Siegel to bring each point to life. A reader's guide at end, offers 10 questions that kids can answer to connect these ideas to their own lives and make them realize how incredible they truly are!

Now available in a new format and fresh package: a children's book by the authors of the New York Times best-selling children's book Incredible You. This book offers 10 lessons for children for leading fulfilled, self-actualized lives. Dr. Wayne W. Dyer believed that if children could hold on to the no-limit thinking they were born with rather than trying to fit in, they could learn to truly enjoy life and become unstoppable as they strive to attain their

dreams. Newly repackaged with a fresh format and cover, *Unstoppable Me!* is based on 10 important lessons, including the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. At the end of this book, a reader's guide offers 10 questions to help spark discussion and to further reinforce Wayne's message. Whimsically illustrated by Stacy Heller Budnick.

I AM, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. *I AM* teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God--we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words I am to create love, happiness, and greatness in their own lives and the world

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has a new message for his youngest readers. In his latest children's book, Wayne teaches kids about excuses: what they are, where they come from, and how to eliminate them so boys and girls can reach their full potential. Playfully illustrated once again by Stacy Heller Budnick, *No Excuses!* tells the story of a boy with a seemingly impossible dream who almost lets excuses stand in his way. Luckily, he learns some important lessons that allow him to attain his goals--lessons that just about all children will be able to understand and apply to their lives. *No Excuses!* will be available shortly after the publication of Wayne's book for adults, *Excuses Begone!*

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. *You're Not What You've Got* addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, *It's Not What You've Got* is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

World-famous author Wayne Dyer, the doctor who taught millions how to take charge of their own lives in the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, reveals how to help your kids take charge of their own happiness. If you have children, then you have dreams for them. You want to see them growing up happy, healthy, self-reliant, and confident in themselves and their abilities. You've also probably wondered if you'll be able to give them all this. There's good news: you can. Wayne Dyer shares the wisdom and guidance that have already helped millions of readers take charge of their lives and shows how to make all your hopes for your children come true. Learn valuable advice including Dyer's original seven simple secrets for building your child's self-esteem every day; how to give very young children all the love they need without spoiling them; how to encourage risk-taking without fear of failure; action strategies for dealing with both your own anger and your child's; the right way (and the wrong way) to improve your child's behavior; the secrets of raising kids relatively free of illness; techniques that encourage children to enjoy life, and much more. It's all here – straightforward, commonsense advice that no parent can afford to do without.

A heartwarming rhyming text with humorous, bold illustrations to inspire confidence!

In *Good-bye, Bumps!*, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.
