Temporary Employee Induction Handbook - HOBAN

Creating a contractor induction handbook is a complex task given how much important content and safety topics need to be covered and to ensure a comprehensive overview of contractor safety procedures, risks and policies is established. Contractors working on site are involved in a wide range of works and come from many different trades.

The handbook touches on most of the important sections: company purpose and values, policies, the business model, employee benefits and culture. The handbook finishes by checking one of the most important legal boxes: a quick note stating that the rules are not a part of an employment contract and are subject to change without notice.
