Lessons from a Scarlet Lady is a little different than most of the historical romances I read. There are TWO love stories running through the book. Brianna and her husband Colton the Duke of Rolthven and his younger brother Lord Robert Northfield and Brianna ' s childhood best friend Rebecca Marston. Both stories build on top of one of another.

Lessons From A Scarlet Lady is refreshingly different from most other historicals in that the hero and heroine are already married, but that doesn't stop Brianna from working for her ultimate happily ever after. It was entertaining to watch Colton fall helplessly under his wife's spell, to be the one who is seduced rather than the seducer.
