Southern belle Meg Burton is her parents' last hope of avoiding financial ruin, and a distant cousin's kind gesture seems an ideal solution: He will sponsor Meg for a London Season. The pursuit of a wealthy husband was not exactly how the bookish young woman had envisioned her first trip abroad -- after all, what does a girl from Charleston, South Carolina, know about being a lady? Amidst the stunning gowns and extravagant balls of the ton, Meg feels like an imposter. Thankfully, she has one friend who knows her true self -- Carlo, a handsome stable hand. Despite their difference in station, love blossoms between the unlikely pair, and Meg is sure of one thing: She wants nothing to do with the insufferable European

aristocracy. Prince Rodrigo de Talavera has lost everything to Napoleon. Jaded by war, he has become bitter and miserable -- until he meets Meg, an American woman whose eccentric schemes and passion for life remind him what it is to laugh and to love. If only she knew him for himself and not as Carlo the stable hand. With the shadow of deception looming over their happy acquaintance and the dangers of war drawing ever more near, can Meg and Rodrigo find the courage to put aside their pretenses and discover if they can be loved as they truly are? -- page [4] of cover

Amelia Beckett is delighted to be a widow. Married by proxy to a man she'd never met, Amelia recognizes that a fortuitous entry into widowhood frees her from meddlesome chaperones and matchmakers. Heiress to her mother's sugar plantation in Jamaica, she happily anticipates working in a man's

world, with the additional credibility of her new title: Lady Lockwood. But with the arrival of Captain Sir William Drake, her plans quickly go awry . . . William has traversed the Atlantic with one purpose. If he cannot prove that Amelia's marriage to his brother was a fraud, she will be entitled to a sizeable portion of his family's estate. He is determined to return this duplicitous "Lady" to London for an official hearing, and he carries with him a letter that will ensure her cooperation . . . Left with no choice, Amelia joins the captain on his return voyage to England, and the two quickly find that ship life does not allow for evasion. Amelia and William are ceaselessly thrown together, and amidst fierce storms and ocean battles, what began as antipathy seems to be evolving quite unexpectedly. But as they draw ever closer to their destination, will the impossibility of their circumstances shatter any hope of a future

"The day of her parents' garden party dawns bright as Lydia Prescott eagerly anticipates a marriage proposal from a handsome and wealthy plantation owner. The lovely debutante plans to steal a moment away with her beau, but her plans go terribly awry. Instead of her intended, she is joined by a stranger--the largest man she's ever laid eyes on. And it is clear Jacob Steele is there for reasons far more sober than the party. With British raids erupting all around them, it is his job to reassure plantation owners of their safety. In reality, however, Jacob is an espionage agent, and the truth is dire: America is on the verge of invasion by the British. Blissfully unaware of the danger surrounding her, Lydia basks in the glow of her recent engagement. But her joy is shortlived--a surprise British attack results in a devastating wound, and her plans for the

future are shattered. Lost in her devastation, Lydia could never dream that Jacob, that giant of a man she met so briefly, would prove to be her saving grace. And with a war raging around them, she may be called upon to save him too."--

"Amherstburg, Ontario, Canada, 1812. Struggling alone on the family farm, Abigail Tidwell knows exactly who is to blame for her hardships: the Americans. If it weren't for their part in the war, her father and brothers would be home rather than fighting abroad. But no amount of antipathy could have prepared her for the shocking sight of a wounded American soldier on her property, a man in dire need of her help. Grudgingly, Abigail tends to the soldier's injuries and anticipates the satisfaction of turning him over to the authorities once he is healed. But fate has other plans. Captain Emmett Prescott remembers little of the ambush on

his men by a group of Shawnee Indians and even less about how he arrived in the unfamiliar barn. After being nursed back to health by beautiful, if reluctant, Abigail, Emmett would do anything to save the men he left behind--including forcibly enlisting Abigail's help. Soon, Abigail finds herself caught between two countries at war. And as her attraction for Emmett grows, her conflicted heart engages in its own silent battle. But when she is accused of treason for her actions, her survival rests in the hands of the very man she once considered her enemy

"Miss Diana Snow is everything a British chaperone should be--she finds satisfaction in order and depends wholly upon the rules of decorum as she negotiates the isle of Greece with her young charge. But Miss Snow's prim and proper exterior masks a disquieting past: orphaned and alone in the

world, she has only her stiff upper lip to rely upon. When a brief encounter with a handsome stranger challenges her rules of propriety, Diana is unwittingly drawn into an adventure that will turn her ordered. world upside down. Alexandros Metaxas is a Greek spy working to recruit individuals to the cause of revolution. His mission seems to be going perfectly until he encounters Diana Snow, a captivating--if slightly cold-beauty. When their paths cross again, the ill-fated reunion threatens all Alex has been fighting for. But more importantly, it places Diana's life in jeopardy, there is only one way to save her: they must put themselves at the mercy of the most powerful pirate family in the Mediterranean. Soon, Diana is plunged into a fantastic world of gypsy curses, blood feuds, and unexpected romance. But when a bitter vendetta places her in mortal danger, will she have the courage to fight for life and

love?"--Page [4] of cover.

Despising the conceited antics of the popular group in high school, including Taylor Anderson, Chloe Elizabeth Hart is determined to be the only girl who can avoid falling for Taylor's charms.

One year ago Charlotte Bower's life was ripped apart when Creek Indians attacked, killed her parents, and separated her from her young brother--now, she will stop at nothing to find him. After a year of captivity, she has finally made her escape. Her search will begin in New Orleans, but how can she reach a city hundreds of miles away? As she watches men boarding a waiting ship, Charlotte formulates a bold plan: if it's men they need for the ship's crew, it's a man they'll get. Taking on her childhood

nickname, Charlie, it is all too easy to gain passage on the New Orleans-bound vessel--that is, until she is caught. From the moment he sets eyes on the new deckhand, Captain Alden Thatcher knows one thing for certain: Charlie Bower is no man. But for reasons of his own, he keeps her secret. As their journey progresses, however, Charlie and the captain find themselves relying on one another in ways they'd never imagined.--

Australia, 1814 As a young child bound for a strange country, Sarah Whitaker dreamed of life with her father on his sprawling Australian ranch. But her hopes were shattered when she learned of his death and of her new role as heiress of the largest sheep farm in New Wales. Orphaned in a land greatly populated by petty criminals exiled from England, the future seemed grim. But now, ten years later, Sarah has defied the

odds and become a successful businesswoman much to the chagrin of her male counterparts. Hardened by the dishonesty of both her fellow ranchers and the felons in her employ, Sarah has learned one important truth: no one is to be trusted. Daniel Burton is a lucky man. Sentenced to death for his role in a horse-race scandal. Daniel was granted reprieve thanks to the influence of his wealthy relatives. Now, rather than death. Daniel faces exile in Australia an opportunity to put past mistakes behind him. But when he purchases land with the intention of farming it, he unwittingly arouses the wrath of his new neighbor, Sarah. What begins as a battle of wits, however, soon becomes a warm friendship and perhaps something more. But when Daniel's secret past is revealed, will Sarah be able forgive yet another deception?

Paul Delaroche 's works were heralded as Page 20/22

masterpieces in the nineteenth century, and the man himself was lauded in 1853 by one Italian critic as " at the summit of all living painters. " But while his paintings themselves are still familiar to many, Delaroche the artist fell into almost total obscurity during the twentieth century. Stephen Bann addresses this lacuna in art scholarship, presenting an in-depth examination of Delaroche 's career, Bann situates Delaroche and his wide-ranging oeuvre in the context of early nineteenthcentury visual culture. From his early historical paintings to experimental pieces influenced by photography, the book analyzes each stage of Delaroche 's artistic development—as well as his major masterpieces such as The Execution of Lady Jane Grey and The Princes in the Tower. Bann also analyzes the numerous reproductions of Delaroche 's works in a variety of visual mediums, including

engravings by Mercuri and Henriquel-Dupont, lithographs, popular prints, and the photographs that illustrated Delaroche 's first retrospective catalog. An unparalleled and lushly illustrated study, Paul Delaroche restores a neglected master to his rightful place in nineteenth-century European art.
