Solution: Nikita always believed in fairytales and romance, like it's depicted in books. But then reality set in and she faced ups and downs making her belief in fairytales fade away. Will she ever believe in fairytales again? Does her prince charming actually exist? Will she find her true love in the face of this reality? Or will she settle for an arranged marriage and forget it all?

Covers techniques and theory in the field, for students in degree courses for instrumentation/control, mechanical manufacturing, engineering, and applied physics. Three sections discuss system performance under static and dynamic conditions, principles of signal conditioning and data presentation, and applications. This third edition
