Murder And A

was set in the state of Kansas. Patrick Riley had dreamed of being a police detective in the bustling city of Metropolis , Kansas. Starting on the police force as a patrolman his curiosity led him to discover a murderous plot that caused his rapid advancement to being a detective more quickly than he

Online Library

Murder And A

could have hoped for. The plot turned out to be about a serial killer who started with the murder of a federal judge and proceeded, one by one, to eliminate all the jurors associated with the murder conviction of Slippery Slade Malvo. The killer, silent as a shadow, left no clues. At first the murders

Online Library

Murder And A

appeared to be accidental deaths, but were part of the plot to keep Malvo in prison for life. The murder of the judge led to Patrick's becoming partners with Paul Bledsoe, an FBI special agent. The trail of the clever killer led Patrick and Paul across the nation, they

Online Library

Murder And A

discovered that some form of mind control was in effect, but the case was not solved until the last juror was murdered. The way Patrick discovered the identity of the killer almost cost him his life.
