Winner of the Costa Biography Award, a fascinating exploration of one of the twentieth century's most influential poets. Edward Thomas was perhaps the most beguiling and influential of the war poets. This haunting account of his final five years follows him from his beloved English countryside to the battlefield in France where he lost his life. When he met the American poet Robert Frost in 1913, Thomas was tormented by feelings of failure in his work and in his marriage. With Frost's encouragement he began writing poem after poem as he finally found the expression for which he had spent his life searching. But the First World War put an ocean between them: Frost returned to New England while Thomas enlisted and went to fight in France. It is these roads taken--and not taken--that are at the heart of this unforgettable book, which culminates in Thomas's tragic death on Easter Monday, 1917. Now All Roads Lead to France encompasses an astonishingly creative moment in English literature, when London was a battleground for new, ambitious writing. A generation that included W. B. Yeats, Ezra Pound, Robert Frost, and Rupert Brooke was "making it new"--vehemently and pugnaciously--and this dazzling biography places Thomas firmly in their midst.

Edward Thomas was perhaps the most beguiling and influential of First World War poets. Now All Roads Lead to France is an account of his final five years, centred on his extraordinary friendship with Robert Frost and Thomas's fatal decision to fight in the war. The book also evokes an astonishingly creative moment in English literature, when London was a battleground for new, ambitious kinds of writing. A generation that included W. B. Yeats, Ezra Pound, Robert Frost and Rupert Brooke were 'making it new' - vehemently and pugnaciously. These larger-than-life characters surround a central figure, tormented by his work and his marriage. But as his friendship with Frost blossomed, Thomas wrote poem after poem, and his emotional affliction began to lift. In 1914 the two friends formed the ideas that would produce some of the most remarkable verse of the twentieth century. Their writing was far more than just war poetry, but it was World War I that put an ocean between them. Frost returned to the safety of New England while Thomas stayed to fight for the Old. It is these roads taken - and those not taken - that are at the heart of this remarkable book, which culminates in Thomas's tragic death on Easter Monday 1917.

"Edward Thomas was the most beguiling of the poets who lost their lives in the First World War. More or less unread in his lifetime, his writing has had a powerful influence on poetry today. This account of his final five years is centred on his extraordinary friendship with [the American poet] Robert Frost and Thomas's decision, in 1915, to enlist in the army and go to fight in France."--Publisher description.

"An illuminating insight...fascinating."--Amanda Grange, bestselling author of Mr. Darcy's Diary "A journey through both a physical landscape and the geography of the human heart and mind...delightfully entertaining and often deeply moving, this book reminds us that Austen's world--and her characters--are very much alive."--Michael Thomas Ford, author of Jane Bites Back WHERE DO BOOKS TAKE YOU? With a suitcase full of Jane Austen novels en espa\u00f1ol, Amy Elizabeth Smith set off on a yearlong Latin American adventure: a traveling book club with Jane. In six unique, unforgettable countries, she gathered book-loving new friends-- taxi drivers and teachers, poets and politicians-- to read Emma, Sense and Sensibility, and Pride and Prejudice. Whether sharing rooster beer with Guatemalans, joining the crowd at a Mexican boxing match, feeding a horde of tame iguanas with Ecuadorean children, or tangling with argumentative booksellers in Argentina, Amy came to learn what Austen knew all along: that we're not always speaking the same language-- even when we're speaking the same language. But with true Austen instinct, she could recognize when, unexpectedly, she'd found her own Se\u00f1or Darcy. All Roads Lead to Austen celebrates the best of what we love about books and revels in the pleasure of sharing a good book-- with good friends.

All Roads Lead to the Sea is a first collection of poetry from a young Bulgarian immigrant poet. Her work had already attracted considerable attention, with a special issue of Poetry New Zealand featuring her poems. Her moody, evocative poems brilliantly convey the rootlessness and restlessness of the immigrant, the mingled sense of loss and wonder in the new land, the nostalgia and the longing, the hopes and the memories. The three parts of the book mirror a passage from dislocation to exploration to looking forward, with the last part dominated by the image of the sea. These haunting, powerful poems introduce a fresh and original talent.

an unlikely romance between a Washington rancher and an illegal Mexican immigrant whom she rescues one snowy night. When a saddled horse shows up riderless at Alice Anderson's snowed-in ranch, she knows someone's in danger--no one could survive long in the bitter Washington cold. Bundled up atop her best horse, Alice sets out to find the rider, preparing herself for the worst. But when Alice comes across a hunched figure in a snow bank and brings the man back to Standfast, she realizes she wasn't prepared for Domingo Rolodan. The Mexican raquero is on the run from immigration services--and harboring a deep secret. He and Alice

slowly develop an abiding friendship that gradually blossoms into romance. Now, facing threats that include deportation, cultural misunderstandings, and the looming presence of a drug addict with claim to the ranch, can Alice and Domingo find a way to hold firm to their new love? Through her warm and engaging prose Foster skillfully brings to life the pastoral landscape of Washington state, transporting readers into her breathtaking world.

Unflinching portrayals of desire and alienation fill Bonnie Chau's award-winning story collection. Chau's short fiction explores the lives of young women navigating love, failure, heritage, and memory, and presents a fresh perspective of second-generation Chinese-Americans. Moving back and forth between California and New York, and ranging as far away as Paris, Chau's exquisitely written stories are bold, highly imaginative, and haunting, featuring characters who defiantly exert their individuality.

BEAUTIFUL SHINING STAR Beautiful shining star Tell me who you are I see you at nite You're such a wondrous sight I just want to be loved by you And get to know you better You brighten my day and warm my nites beautiful shinning star Tell me who you are I see you at nite You're such a wonder0us site To be loved by you,is all I want Share with me your loving touch The music we share will be our own Two hearts in the night far apart Trying to make a brand new start Out of the love of thier hearts Hoping and trying to give their all Two hearts longing To be together Beautiful shining star Tell me who you are I see you at nite You're such a wonderous sight Share with me Your tenderness All I wish for Is your sweet cress I want to give you All my Love But your so far and hard And hard to reach Beautiful shining star Tell me who you are I see you at nite You're such a wonderous sight
