Overwatch: Anthology Volume 1 is a graphic novel based upon the video game Overwatch. Overwatch is a first person multiplayer gun game and in my opinion it is so much fun. In this book it shares little chapters about each character. Each chapter explains back stories for some characters and just funny events that will eventually be put into the game.

The world still needs heroes. Are you with us? Enter the first-ever original novel for Overwatch, the worldwide gaming sensation from Blizzard Entertainment! In the technologically advanced African city of Numbani, in the not-so-distant future, humans live in harmony with humanoid robots known as omnics. But when a terrorist tries to shatter that unity, a hero named Efi Oladele rises! Efi has been making robots since she was little -- machines to better her community and improve people's lives. But after she witnesses Doomfist's catastrophic attack on the city's OR15 security bots, Efi feels the call to build something greater: a true guardian of Numbani. While Doomfist sows discord between humans and omnics, Efi engineers an

intelligent and compassionate robot, Orisa, named after the powerful spirits who guide her people. Orisa has a lot to learn before she's ready to defeat Doomfist, but Efi has some learning to do, too, especially when it comes to building -- and being -- a hero. With Doomfist rallying his forces, and the military powerless to stop him, can Efi mold Orisa into the hero of Numbani before it's too late? This action-packed novel features the fan-favorite characters Efi, Orisa, Doomfist, and Lúcio in an all-new, original story straight from the minds of the Overwatch game team and critically acclaimed author Nicky Drayden!

Blizzard Entertainment and Dark Horse Books are proud to present the third installment of their bestselling World of Warcraft Chronicle series!
