An innovative, five-level beginner's course for young learners from the age of 10.

Teaching is a lifelong challenge, but the first few years in the classroom are typically a teacher's hardest. This expanded collection of writings and reflections offers practical guidance on how to navigate the school system, form rewarding relationships with colleagues, and connect in meaningful ways with students and families from all cultures and backgrounds.

Der lægges op til dels traditionel, dels moderne undervisning med projektarbejde, rollespil og tværfaglige emner. Indlæring af grammatik og ordforråd foregår meget systematisk. Der

vocabulary"--Teacher's book, p. 6.

Project brings English to life through motivating topics within a structured learning environment. It provides a clearly-structured, supportive framework of grammar with the flexibility to allow students to make their own discoveries.

Language is presented in stimulating, realistic contexts. A high profile is given to skills development from the start of the course. Cross-curricular project work encourages students to communicate in English about their own lives and experiences. The strong cultural element helps students to establish a connection between language and life. Students are encouraged to learn about life in Britain and other English-speaking countries, as well as to explore differences and

draw comparisons with their own cultures. Strong emphasis is placed on learner independence: students are encouraged to think about their own learning and reflect on their progress. The course is enriched by numerous songs, games, and puzzles which make language learning fun. The fifth level, Project Plus, is a revision level with the emphasis on skills extension, in particular reading and speaking.
