The Puzzle Baron has done it again, and this time he's giving readers his most complex collection of logic puzzles ever -- Puzzle Baron's Fiendish Logic Puzzles. For each two-page puzzle, a background story and a list of text-based clues are given. Puzzlers then use logic to sift through the clues to arrive at the correct answer. What makes these puzzles different from those in previous books in the series is that each spans two pages and requires at least one of 15 advanced solving methods. This book includes: - 100 devilishly difficult brain-challenging logic puzzles. - Average solution time statistics on each puzzle. - An introduction that shows readers how to get started solving the puzzles. - Complete answer key at the of the book. - Access to online hints at the Puzzle Baron's website.

The brain is a wonderful thing to exercise. A group of four friends decided to go hiking in the mountains. They all agreed to meet up at the same location, Grizzly Gorge, but each of the four hikers wanted to take a different trail to get there. Due to the difficulty of the terrain, each hiker brought along an experienced local guide. Using only the clues that follow, match each hiker to his or her guide, and determine which trail the hiker used to reach Grizzly Gorge. If problems like this get your brain churning, Puzzle Baron's Logic Puzzles, Volume 2, will send your brain into overdrive! Inside, you get: 200 never-before-published grid-based logic puzzles. Information such as average completion time, other puzzlers' high scores, and more to help you push your brain a little harder. An easy-to-use answer key so you can check your work--or get a hint when you're stuck!

The Puzzle Baron is at it again, creating puzzles his puzzle followers crave.
