Quantum Fields

integrated part
of the same
consciousness
that creates the
overall
existence.

Unlike what is
thought
traditionally,
there is no
multitude of
consciousnesses;
the
consciousness is

Read Book Quantum Fields

Only one and the same in everything, it merely divides and utilizes itself in all of the aspects of existence.

Consciousness and existence are one and the same, and together they comprise our

Read Book Quantum Fields

of essence, or the soul. The true nature of consciousness and existence cannot be separated from the true nature of our essence or the soul. In other words, we cannot live in the world in one way, be aware in

Read Book Quantum Fields

of another, and relate to our essence in some completely different way.

The consciousness of our soul is inseparable from the world we live in. Our existence remains inauthentic,

Read Book

Quantum Fields

of painful, and
heartless,
insofar as we
keep ourselves
apart from the
consciousness of
our soul; from
consciousness
itself; and from
existence, as
such. However, a
simple statement
that the
consciousness
