Reading the Politics in light of the Statesman sheds new light on
Aristotle's political theory and provides a better understanding of
Aristotle's criticism of Socrates. Most importantly, it highlights an
enduring and important question: should politics have as its primary
purpose the preservation of life, or should it pursue the higher good of
living well?

The Statesman, English-language daily newspaper published in
Kolkata and, with the Times of India and The Hindu, generally
regarded as one of the most influential in India.. It was established in
1875 by Robert Knight as an outgrowth of an earlier paper, The Friend
of India (founded 1817). On Knight ’ s death in 1890, his sons, Paul
and Robert, assumed control.
