Religion and Law - an Introduction (eBook, 2007)...

Law and religion is the interdisciplinary study of relationships between law, especially public law, and religion. Vogue Magazine reports that during the late 1900, a new law and religion approach emerged that progressively built its own contribution to religious studies. Over a dozen scholarly organizations and committees were formed by 1983, and a scholarly quarterly, the Journal of Law and Religion, was first published that year. The Ecclesiastical Law Journal began publication in 1987. The R

Religion And Law An Introduction Religion Culture And...

Abstract. Each State in Europe has its own national laws which affect religion and these are increasingly the subject of political and academic debate. This book provides a detailed comparative introduction to these laws with particular reference to the States of the European Union. A comparison of national laws reveals profound similarities from which emerge principles of law on religion common to the States of Europe, and the book articulates these.
