Not only do we get a novel, Ship of Theseus, purportedly by a "VM Straka" - about a man shanghaied onto a mysterious boat with a demonic crew - the copy in the reader's hand is heavily annotated by two other readers, Jennifer and Eric, who are attempting to make sense of the text and themselves, as well as the enigmatic figure of Straka himself. Interleaved into it are countless pieces of ephemera: postcards, telegrams, a map scribbled on a napkin from the Pronghorn Java coffee shop ...

Identity, Persistence, and the Ship of Theseus

The Ship of Theseus is what it is by the individual parts that make it up. In this case, the second you removed the first wooden plank from the Ship, it ceased to be. But the individual atoms in the wood are forever changing, with the result that the Ship is never itself. The Ship of Theseus is what it is because of its structure.

The Ship of Theseus and Personal Identity

In a brilliant thought experiment known as The Ship of Theseus, or Theseus's paradox, outlined (though not for the first or last time) in his biographical masterwork Plutarch's Lives (free ebook | public library), Plutarch asks: If the ship on which Theseus sailed has been so heavily repaired and nearly every part replaced, is it still the same ship – and, if not, at what point did it stop being the same ship?

In the ship of Theseus paradox, according to MTI, A = C. This means that there are two ships. The ship Theseus began his voyage on is the exact same as the ship the scavenger comes in on (making these one ship), and then there is the ship Theseus came to port in, which was composed of new parts. However, there is a problem with this conclusion.

The Ship of Theseus: When is a ship no longer the same ship?

The ship of Theseus paradox is a great example to help us better understand this idea. This paradox goes something like this: "During the boat trips, the wood planks broke or rotted, so they had to be replaced. When Theseus returned home, the ship that docked in the port didn't have a single one of its original components.

Identity and the Ship of Theseus - Exploring your mind

The core story is the book itself, Ship of Theseus by V. M. Straka, published in 1949, which is a story about an amnesiac, known only as S., who's trying to figure out who he really is after waking up in a strange city. S. is then kidnapped and trapped on a mysterious boat and becomes involved in a conflict between a violent, oppressive industrialist and his rebellious workers.
