Small Island by Andrea Levy: Review | gibberish
In Small Island, Andrea Levy weaves four people's stories (and four plots) into one cohesive narrative. Levy separates the book between past and present times, reflecting and acting, oscillating between the two. Then, she divides the narrative into four smaller narratives, having sections written from a particular

Literary Analysis - Andrea Levy's Small Island
Small Island Andrea Levy. A thought provoking book. Time to feel ashamed of the way in which West Indians who fought in the British army in World War II were treated back in the UK before the Race Relations Act! I became totally absorbed in the lives of the characters. A worthy prize winner.
