NEW YORK TIMES BESTSELLER A superb love story from Anna Quindlen, the #1 New York Times bestselling author of *Rise and Shine*, *Blessings*, and *A Short Guide to a Happy Life* *Still Life with Bread Crumbs* begins with an imagined gunshot and ends with a new tin roof. Between the two is a wry and knowing portrait of Rebecca Winter, a photographer whose work made her an unlikely heroine for many women. Her career is now descendent, her bank balance shaky, and she has fled the city for the middle of nowhere. There she discovers, in a tree stand with a roofer named Jim Bates, that what she sees through a camera lens is not all there is to life. Brilliantly written, powerfully observed, *Still Life with Bread Crumbs* is a deeply moving and often very funny story of unexpected love, and a stunningly crafted journey into the life of a woman, her heart, her mind, her days, as she discovers that life is a story with many levels, a story that is longer and more exciting than she ever imagined. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "There comes a moment in every novelist's career when she . . . ventures into new territory, breaking free into a marriage of tone and style, of plot and characterization, that's utterly her own. Anna Quindlen's marvelous romantic comedy of manners is just such a book. . . . Taken as a whole, Quindlen's writings represent a generous and moving interrogation of women's experience across the lines of class and race. [*Still Life with Bread Crumbs*] proves all the more moving because of its light, sophisticated humor. Quindlen's least overtly political novel, it packs perhaps the most serious punch. . . . Quindlen has delivered a novel that will have staying power all its own."—*The New York Times Book Review* "[A] wise tale about second chances, starting over, and going after what is most important in life."—*Minneapolis Star Tribune* "Quindlen's astute observations . . . are the sorts of details every writer and reader lives for."—*Chicago Tribune* "[Anna] Quindlen's seventh novel offers the literary equivalent of comfort food. . . . She still has her finger firmly planted on the pulse of her generation."—*NPR* "Enchanting . . . [The protagonist's] photographs are celebrated for turning the 'minutiae of women's lives into unforgettable images,' and Quindlen does the same here with her enveloping, sure-handed storytelling."—*People* "Charming . . . a hot cup of tea of a story, smooth and comforting about the vulnerabilities of growing older . . . a pleasure."—*USA Today* "With spare, elegant prose, [Quindlen] crafts a poignant glimpse into the inner life of an aging woman who discovers that reality contains much more color than her own celebrated black-and-white images."—*Library Journal* "Quindlen has always excelled at capturing telling details in a story, and she does so again in this quiet, powerful novel, showing the charged emotions that teem beneath the surface of daily life."—*Publishers Weekly* "Quindlen presents instantly recognizable characters who may be appealingly warm and nonthreatening, but that only serves to drive home her potent message that it's never too late to embrace life's second chances."—*Booklist* "Profound . . . engaging."—*Kirkus Reviews*

Moving to a small country cabin, a former world-famous photographer bonds with a local man and begins to see the world around her in new, deeper dimensions while evaluating second chances at love, career, and self-understanding.

Moving to a small country cabin, a once world-famous photographer bonds with a local man and begins to see the world around her in new, deeper dimensions while evaluating second chances at love, career, and self-understanding.

From the New York Times bestselling author of *Alternate Side*, Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion. "Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned, but particularly in lives as busy as the ones most of us lead now, that won't happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination." In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to "get a life"—to live deeply every day and from your own unique self, rather than merely to exist through your days. "Knowledge of our own mortality is the greatest gift God ever gives us," Quindlen writes, "because unless you know the clock is ticking, it is so easy to waste our days, our lives." Her mother died when Quindlen was nineteen: "It was the dividing line between seeing the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted." But how to live from that perspective, to fully engage in our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.

NEW YORK TIMES BESTSELLER • "Captures the angst and anxiety of modern life with . . . astute observations about interactions between the haves and have-nots, and the realities of life among the long-married."—*USA Today* A provocative novel that explores what it means to be a mother, a wife, and a woman at a moment of reckoning, from the #1 New York Times bestselling author of *Miller's Valley* and *Still Life with Bread Crumbs*. Some days Nora Nolan thinks that she and her husband, Charlie, lead a charmed life—except when there's a crisis at work, a leak in the roof at home, or a problem with their twins at college. And why not? New York City was once Nora's dream destination, and her clannish dead-end block has become a safe harbor, a tranquil village amid the urban craziness. The owners watch one another's children grow up. They use the same handyman. They trade gossip and gripes, and they maneuver for the ultimate status symbol: a spot in the

block's small parking lot. Then one morning, Nora returns from her run to discover that a terrible incident has shaken the neighborhood, and the enviable dead-end block turns into a potent symbol of a divided city. The fault lines begin to open: on the block, at Nora's job, and especially in her marriage. Praise for *Alternate Side* "[Anna] Quindlen's quietly precise evaluation of intertwined lives evinces a keen understanding of and appreciation for universal human frailties."—Booklist (starred review) "Exquisitely rendered . . . [Quindlen] is one of our most astute chroniclers of modern life. . . . [Alternate Side] has an almost documentary feel, a verisimilitude that's awfully hard to achieve."—The New York Times Book Review "An exceptional depiction of complex characters—particularly their weaknesses and uncertainties—and the intricacies of close relationships . . . Quindlen's provocative novel is a New York City drama of fractured marriages and uncomfortable class distinctions."—Publishers Weekly

"[Quindlen] serves up generous portions of her wise, commonsensical, irresistibly quotable take on life. . . . What Nora Ephron does for body image and Anne Lamott for spiritual neuroses, Quindlen achieves on the home front."—NPR Includes an exclusive conversation between Meryl Streep and Anna Quindlen! In this irresistible memoir, Anna Quindlen writes about a woman's life, from childhood memories to manic motherhood to middle age, using the events of her life to illuminate ours. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved New York Times columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to explore what matters most to women at different ages. Quindlen talks about Marriage: "A safety net of small white lies can be the bedrock of a successful marriage. You wouldn't believe how cheaply I can do a kitchen renovation." Girlfriends: "Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends." Our bodies: "I've finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my character from place to place, now and in the years to come." Parenting: "Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us." Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen's status as America's laureate of real life. "Classic Quindlen, at times witty, at times wise, and always of her time."—The Miami Herald "[A] pithy, get-real memoir."—Booklist

NEW YORK TIMES BESTSELLER • In a small town on the verge of big change, a young woman unearths deep secrets about her family and unexpected truths about herself. Filled with insights that are the hallmark of Anna Quindlen's bestsellers, *Miller's Valley* is an emotionally powerful story about a family you will never forget. For generations the Millers have lived in Miller's Valley. Mimi Miller tells about her life with intimacy and honesty. As Mimi eavesdrops on her parents and quietly observes the people around her, she discovers more and more about the toxicity of family secrets, the dangers of gossip, the flaws of marriage, the inequalities of friendship and the risks of passion, loyalty, and love. Home, as Mimi begins to realize, can be "a place where it's just as easy to feel lost as it is to feel content." *Miller's Valley* is a masterly study of family, memory, loss, and, ultimately, discovery, of finding true identity and a new vision of home. As Mimi says, "No one ever leaves the town where they grew up, even if they go." *Miller's Valley* reminds us that the place where you grew up can disappear, and the people in it too, but all will live on in your heart forever. Praise for *Miller's Valley* "Overwhelmingly moving . . . In this novel, where so much is about what vanishes, there is also a deep beating heart, of what also stays."—The New York Times Book Review "Stunning . . . The matriarchal theme [is] at the heart of *Miller's Valley*. Miriam pushes her smart daughter to consider college, and other women—a teacher, a doctor, a benefactor—will raise Mimi up past the raging waters that swirl in her heart."—The Washington Post "Economical and yet elegant . . . [Anna Quindlen's] storytelling and descriptive powers make *Miller's Valley* compelling. . . . *Miller's Valley* has a geography and fate all its own but its residents, realities, disappointments, joys and cycle of life feel familiar, in the best way possible."—Pittsburgh Post-Gazette "A family story with humor, surprise, sorrow and mystery . . . Quindlen has created distinctive characters, none of whom seems like anyone you've met before in fiction."—The Columbus Dispatch "A breathtakingly moving look at a family."—USA Today "[Anna] Quindlen's provocative novel will have you flipping through the pages of your own family history and memories even as you can't stop reading about the Millers. . . . a coming-of-age story that reminds us that the past continues to wash over us even as we move away from the places and events that formed us."—Chicago Tribune "Picking up a novel by Anna Quindlen means more than just meeting a new family—it's like moving in and pretending they are yours. It's a rare gift for a writer, and Quindlen does it to near perfection."—St. Louis Post-Dispatch "Quindlen's novel of a childhood examined by someone who literally can't go home again is an incredibly engaging read. . . . *Miller's Valley* takes familiar themes and manages to make them fresh and new."—Bust

A stunning modern-day fairy tale from acclaimed author Anne Ursu Once upon a time, Hazel and Jack were best friends. But that was before he stopped talking to her and disappeared into a forest with a mysterious woman made of ice. Now it's up to Hazel to go in after him. Inspired by Hans Christian Andersen's "The Snow Queen," *Breadcrumbs* is a story of the struggle to hold on, and the things we leave behind.

Sixty-five of the world's leading writers open up about the books and authors that have meant the most to them Every Sunday, readers of The New York Times Book Review turn with anticipation to see which novelist, historian, short story writer, or artist will be the subject of the popular By the Book feature. These wide-ranging interviews are conducted by Pamela Paul, the editor of the Book Review, and here she brings together sixty-five of the most intriguing and fascinating exchanges, featuring personalities as varied as David Sedaris, Hilary Mantel, Michael Chabon, Khaled Hosseini, Anne Lamott, and James Patterson. The questions and answers admit us into the private worlds of these authors, as they reflect on their work habits, reading preferences, inspirations, pet peeves, and recommendations. *By the Book* contains the full uncut interviews, offering a range of experiences and observations that deepens readers' understanding of the literary sensibility and the writing process. It also features dozens of sidebars that reveal the commonalities and conflicts among the participants, underscoring those influences that are truly universal and those that remain matters of individual taste. For the devoted reader, *By the Book* is a way to invite sixty-five of the most interesting guests into your world. It's a book party not to be missed.

Mary Beth Latham has built her life around her family, around caring for her three teenage children and preserving the

rituals of their daily life. When one of her sons becomes depressed, Mary Beth focuses on him, only to be blindsided by a shocking act of violence. What happens afterward is a testament to the power of a woman's love and determination, and to the invisible lines of hope and healing that connect one human being to another. Ultimately, as rendered in Anna Quindlen's mesmerizing prose, *Every Last One* is a novel about facing every last one of the things we fear the most, about finding ways to navigate a road we never intended to travel. BONUS: This edition contains an *Every Last One* discussion guide and an excerpt from Anna Quindlen's *Blessings*.
