****Discover Powerful Stock Market Investing Strategies To Become An Intelligent Investor And Make Money In Stocks! **** Let's get real here: most investors like yourself LOSE money trading stocks. In fact, so many lose so much money in trade after trade that they simply give up and buy mutual funds. By doing so, they leave their portfolio's fortunes in the hands of an 'expert.' Talk about leaving a lot of money on the table. Seriously. If you park all your investment cash in a mutual fund, you are missing out on SPECTACULAR GAINS. Sure, you can 'coast' on an annual gain slightly north or south of 10 to 15 percent but if you were to trade your own account, you can earn many times more than that. Just how much more can your retirement investment grow if you managed it more actively? How does 1 to 2 percent per day sound? This is possible with active trading. Indeed, this is possible with the information you'll find from this book, Stock Market Investing for Beginners- Simple Stock Investing Guide to Become an Intelligent Investor and Make Money in Stocks. This paves the way to you making more money in stocks. This book delivers on the following: Understand the basics of stock investing Get a clear understanding of the different investing and trading strategies you can use Learn how to trade with CONFIDENCE regardless of whether the market is trending up or down Learn how to make money if the stock you bought sinks or rises in value This book enables you to turn your FEAR of losing money in the stock market into an AWARENESS of the tremendous opportunities available to you if you just use the right trading methods and strategies. These methods enable you to spot: Stocks about to break out and go up in value Stocks about to crash Stocks with solid long term potential that buying them at any price NOW still means you bought them at a BARGAIN Stocks you can continue to buy regardless of how much they sink or fall and STILL make money You worked hard for your savings. Don't let inflation eat up your savings' value. Learn to trade stocks the right way and grow your savings STRATEGICALLY. By mastering the information contained in this book, you can learn to trade for almost PREDICTABLE gains-whether those gains happen immediately or within a fairly certain period of time. Stop struggling and hoping and wishing that you'll spot the NEXT breakout stock. NEWFLASH: there are a HUGE NUMBER of these. You just need to know how to IDENTIFY THEM and this book teaches you HOW!
