Even though he is very slow and has many distractions on the way, Franklin the turtle manages to get to Bear's house just in time for a special event.

Provides direct access to the skills, insights and techniques of some of the postproduction industry's most prominent digital video colorists, delivering practical skills to the postproduction pro seeking to improve their color grading craft. The author interviews and observes 8 professional colorists as they grade a series of real world video images, describing the methods and techniques each artist uses to reach their finalized image. These video images are included on a DVD that allows you to work lockstep with each artist as they grade their images. Though some tools provided may differ from one product to the next, the basic process of video color correction (grading) remains the same. Application agnostic and sure to inspire, The Art of Digital Video Color Correction will further your artistic skills, whether you're an editor, compositor, or colorist, and allow you to apply those skills to the grading process, making your finished image sharper, crisper and more aesthetically pleasing in general.

[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, vampires, shape-shifters, public exhibition, HEA] Bevin simply wanted a breather away from his new job. Instead he stumbled onto a plot, learning information that can turn the tide in the war against the demons... He just has to get it to King Rylan. Rian and Ronan are helping at the vineyard when they meet a kitty who turns out to be their mate. They're shocked when they sense his fear and Bevin flees from them. Giving chase, they finally find him, naked, in the company of others. Acting like scared, jealous idiots, the twins claim him in front of everyone... Only to have it go terribly wrong. Now all hell is breaking loose and lines are being drawn in the coven. Did they just blow the perfect alliance the three species had? And if that can be fixed how will they ever make up what they did to Bevin? Did fate give Bevin two perfect mates, or two mates too many? Note: This book is written in first-person point of view. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance

Expert tips for the last piece in the paperless puzzle The Bluebeam Guidebook offers comprehensive coverage of the industry's leading PDF tool to help AEC professionals adopt a more efficient digital workflow. With desktop, mobile, and server-based products, Bluebeam

makes collaboration and document coordination seamless, and provides a perfect complement to BIM software. This book shows you how to push the boundaries and discover the software's true capabilities. Written expressly for working AEC professionals, this book offers tips, tricks, and ideas that cater to industry-specific needs. Expert instruction and step-by-step guidance helps you get started quickly, and case studies feature users from firms such as Kiewit, Populus, Sundt Construction, and more to show you how Bluebeam is quickly becoming a critical component of design and construction. Master the industry's leading PDF software and alternative to Adobe Acrobat Create, edit, and markup documents in a way that suits the architecture and engineering workflow Learn how major AEC firms have transitioned seamlessly to digital workflows Integrate Bluebeam into estimating, quality control, field applications, and more The days of file boxes and paper reams are quickly coming to a close. The transition to paperless has been a boon for the AEC industry, in which collaboration and document sharing is central to getting the job done. BIM has revolutionized the design process, and Bluebeam offers that same level of functional innovation for the document side of every project. For AEC professionals seeking a better way to get things done, The Bluebeam Guidebook is your ultimate guide to everything Bluebeam can do for you.

Engineering is what brings machines to life. Little learners can discover more about engineering at home by reading the simple explanations and doing the beautifully illustrated activities on each page. Start a lifelong passion for STEM subjects and inspire children to, one day, contribute an invention of their own to the world.

This book provides a serious introduction to the subject of mass spectrometry, providing the reader with the tools and information to be well prepared to perform such demanding work in a real-life laboratory. This essential tool bridges several subjects and many disciplines including pharmaceutical, environmental and biomedical analysis that are utilizing mass spectrometry: Covers all aspects of the use of mass spectrometry for quantitation purposes Written in textbook style to facilitate understanding of this topic Presents fundamentals and real-world examples in a 'learning-through-doing' style

Written and edited by some of the world's leading entrepreneurship academics, this anniversary volume showcases three of the most influential chapters from the series, along with author reflections, as well as new papers showing how these classic ideas connect and energize leading-edge contemporary research in entrepreneurship and related fields.

Describes the features of the software program, including writing formulas, presenting data visually, linking worksheets, using PivotTables, and collaborating online.

America's favorite investigative reporter, John Stossel, tackles our favorite myths in his characteristic style and challenges us to look at life differently. Myths and Misconceptions covered in the book include: Is the media unbiased? Are our schools helping or hurting our kids? Do singles have a better sex life than married people? Do we have less free time than we used to? Is outsourcing bad for American workers? Suburban sprawl is ruining America. Money makes people happier. The world is too crowded. We're drowning in garbage. Profiteering is evil. Sweatshops exploit people. John Stossel takes on these and many more misconceptions, misunderstandings, and plain old stupidity in this collection that will offer much to love for Give Me a Break fans, and show everyone why conventional wisdom, economic, political, or social is often wrong.
