Soft, slow tears that glide down her cheek one at a time and fall from her chin, fading into nothing before they reach the floor. But before he touches her, she opens her mouth in a soundless wail of anguish, and disappears.

Angels are born...Angels exist...and yes, Angels Cry. This is the life of one of many of the earthbound Angels, and the tears that Humanity has brought her.

ForewordIt has been a great pleasure in getting to know Ms. Doggett this last year. I met her through a mutual friend, who runs a poetry group and hosts a Radio show for All Artists. Ms. Doggett is a humble, unassuming and very accomplished poet. Each-time she came to the mic with her Lady-Like quality and Angelic Voice, I was shocked by the strength behind every syllable she uttered.Many of the poems were packed with a punch, in as few as two to three replete lines. She leaves you sated, knowing that you have been well-fed as she speaks of the love and desire from a very tender and romantic heart. She is a Spiritual woman as well, and has the ability to take us on longer journeys and you are right with her, in the moment, in her Spiritual Now. Then we are grabbed by the throat, as she expresses the moments of disappointments and pain, followed by anguish as Ms. Doggett bares her soul. It was this point that I reached for the box of tissues. I invite you to take this journey with her, as I did. You will not be disappointed, as a matter of fact, you will not feel alone in this world. Happy Reading.Janet P. Caldwell Author

Tears of an Angel is Book #4 in the Angel Jack Series, a set of standalone Christian fiction romances. The books can be read in any order. PREVIEW:

Life is unpredictable. When we least expect it, it can be changed forever. That moment came for author Benedetta Lino when her one-year-old daughter was diagnosed with cerebral palsy, the possible result of a serious adverse reaction to the DPT vaccination. Yet in the years to come, Benedetta refused to give up hope and refused to let her daughter experience anything less than true and unconditional love. Heartwarming, yet bittersweet, Tears of My Angel recounts the years of struggle, pain, love, and hope that the Lino family endured. Benedetta recounts the early years of her daughters life, of the numerous tests and hospital stays, until the diagnosis finally came in 1985. But from that moment on, things only became more difficult. As Benedetta and her husband learned to care for their daughter in the comfort of their home, they found strength in each other and in the love they had for Laura. As the years passed, and the normal milestones of a child's life passed without being celebrated, the family instead celebrated the beauty of life, of Laura's courage, and of the power of love. Tears of My Angel inspires, educates, and encourages, but most of all, it reaffirms the ability of hope and love to sustain us through our darkest days.

My name is Serena Rogers. After escaping from a juvenile detention center, all I wanted was to get as far away from home as I could and never look back. Everything changed when I uncovered the dark secret that's been haunting my family since before I was born. I am not who I thought I was. When I encounter an army of revolutionaries, I am faced with an impossible choice: fight them and risk the lives of everyone I love, or join them and lose my soul. - Fallen Angels - Book 1 - Angel Fire Book 2 - Angel's Breath Book 3 - Earth Angel Book 4 - Angel Tears Book 5 - Angel of Darkness The Complete Book of Fallen Angels
