Solitude produces an exhilaration of consciousness, the consciousness of our innermost, whatever that may be.

The Art of Thinking - Project Gutenberg Australia

The Art of Thinking is the art of being one's self and this art can only be learned if one is by one's self. Many people are professionally trained to concentration. Napoleon could pass from one subject to a completely different one, from strategy, for instance, to the Charter of the Comedie-Francaise, as if he had been another man.
