"The Core provides an altogether practical curriculum, a handy reference work for busy parents who want their children to enter adulthood fully-equipped with the knowledge and skills possessed by responsible citizens, discerning consumers, and ethical selves."

The Core: Teaching Your Child the Foundations of Classical ...

The Core, by Leigh Bortins, is a book about how to give your child a classical education. It is written for the elementary aged school child, primarily with home-educators in mind, although someone whose children were in public school would probably benefit from it too. It is a well written, and fairly easy to read manual.

The Core: Teaching Your Child the Foundations of Classical ...

In The Core, Bortins gives parents the tools and methodology to implement a rigorous, thorough, and broad curriculum based on the classical model, including:- Rote memorization to cement knowledge - Systematic learning of geography, historical facts, and timelines - Reading the great books and seminal historical documents instead of adaptations and abridged editions - Rigorous training in math and the natural sciences
