The English Resistance The Underground

The first good aspect about The English Resistance is the historian reminds readers that despite being on the edge of Europe even before the Conquest (and the first Anglo-Norman Angevin Empire of Henry II), England was far from being isolated; indeed, it still had contacts with Scandinavia, and throughout the period all the English "rebels" had foreign bases either in Scotland, in Denmark, or in Flanders, and all exiles were protected by their rulers.

The English Resistance: The Underground War Against the ...

In 1066 the English were conquered by the infamous William the Conqueror. However, the English did not just roll over and die before their oppressors; far from it. For over five years the English violently rebelled against the invading Normans, murdering quislings, burning towns and sacking cathedrals. Peter Rex tells the story of each rebellion, their often colourful leaders (including ...

Conqueror. However, this is not the whole story. The English did not roll over and die before their suppressors—far from it. Peter Rex brings to life the resistance, from those who allied themselves with the new regime to those who went “underground” to subvert it such as Hereward the Wake and Edric the Wild.
