Shows the evolution of the art of the video game "The Last of Us," including concept art and commentary from the creators.

Nineteen years ago, a parasitic fungal outbreak killed the majority of the world's population, forcing survivors into a handful of quarantine zones. Thirteen-year-old Ellie has grown up in this violent, postpandemic world, and her disrespect for the military authority running her boarding school earns her new enemies, a new friend in fellow rebel Riley, and her first trip into the outside world. * The official lead-in to the game from Faith Erin Hicks (The Adventures of Superhero Girl) and Naughty Dog's Neil Druckmann!

Follow Ellie's profound and harrowing journey of vengeance through an exhaustive collection of original art and intimate creator commentary in the full-color hardcover volume: The Art of The Last of Us Part II. Created in collaboration between Dark Horse Books and the developers at Naughty Dog, The Art of The Last of Us Part II offers extensive insights into the making of the long-awaited sequel to the award-winning The Last of Us.

Features maps, walkthroughs, tactics for maximizing each weapon and ability, and detailed information on enemies from the apocalyptic video game "The Last of Us."

This book offers instructions on a computer game of combat and survival using illustrations and maps of various scenes. The weapons being used are presented.
