The War that Killed Achilles is a triumph." -Ken Burns "This riveting tale of ancient wars, legendary warriors, and mythical gods is at once a great adventure story and a cautionary tale of the enduring perils of hubris and ego. Achilles' life and death are instructive lessons for all of us today." -Tom Brokaw

Amazon.com: The War That Killed Achilles: The True Story ...

The War That Killed Achilles, however, is more focused on The Iliad itself, about what messages Homer was trying to comm As it is, I've seen the movie Troy , whose main contribution to the world may have been the joke it inspired about Achilles and Patroklus (in conclusion: cousins "), know a couple of quotes, and have vague memories of studying the Trojan War as a historical event at school.

A New Look At 'Iliad' In 'The War That Killed Achilles' : NPR

The War That Killed Achilles is a diffuse book. The subtitle, " The True Story of Homer ' s Iliad and the Trojan War, " and the jacket copy indicate a historical or social study focused on the meaning of war. But this is no thematic or interpretive work.

The War That Killed Achilles - The Barnes & Noble Review

Caroline Alexander, The War That Killed Achilles: The True Story of Homer ' s Iliad and the Trojan War (New York: Viking Press, 2010). Homer ' s Iliad was written around 750-700 BCE (about a war between the Greeks and the Trojans which probably took place in 1250 BCE).

Amazon.com: Customer reviews: The War That Killed Achilles ...

Although the death of Achilles is not presented in the Iliad, other sources concur that he was killed near the end of the Trojan War by Paris, who shot him in the heel with an arrow.

Achilles - Wikipedia

The War That Killed Achilles NPR coverage of The War That Killed Achilles: The True Story of Homer's Iliad and the Trojan War by Caroline Alexander. News, author interviews, critics' picks and more.

From the author of the bestselling work "The Bounty" comes a groundbreaking reading of "The Iliad" that restores Homer's vision of the tragedy of war.

"Spectacular and constantly surprising." -Ken Burns Written with the authority of a scholar and the vigor of a bestselling narrative historian, The War That Killed Achilles is a superb and utterly timely presentation of one of the timeless stories of Western civilization. As she did in *The Endurance* and *The Bounty*, New York Times bestselling author Caroline Alexander has taken apart a narrative we think we know and put it back together in a way that lets us see its true power. In the process, she reveals the intended theme of Homer's masterwork-the tragic lessons of war and its enduring devastation.

The Iliad is still the greatest poem about war that our culture has ever produced. For a hundred generations, poets and thinkers in the West have pored over, retold and argued about the events described in this martial epic, even when direct knowledge of it was lost. Various empires have admired it as a book that in telling the story of the siege of Troy also extols the warrior ethic, and teaches the young how to die well. Yet the figure at the heart of the epic, the consummate warrior Achilles, is a brooding, controversial hero. He is a fierce critic of those who have started this war and allowed it to drag on, consuming soldiers and civilians alike. Disconcertingly, The Iliad portrays war as a catastrophe that destroys cities, orphans children and wrecks whole societies. Caroline Alexander's extraordinary book is not about any of the traditional concerns that have occupied classicists for centuries. It is simpler and more radical than that. In her words, 'This book is about what the Iliad is about; this book is about what the Iliad says of war.'

In her words, 'This book is about what the Iliad is about; this book is about what the Iliad says of war.'

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

In Quintus of Smyrna ' s Posthomerica, a study of heroic characterization and heroism, Tine Scheijnen offers a thorough introduction to a late antique Greek epic poem notable for its critical Homer reception and creative (re)construction of Trojan War heroes and heroism.

In 1882, after six years of foreign travel and adventure, renowned diplomat and detective Erast Fandorin returns to Moscow in the heart of Mother Russia. His Moscow homecoming is anything but peaceful. In the hotel where he and his loyal if impertinent manservant Masa are staying, Fandorin ' s old war-hero friend General Michel Sobolev (" Achilles " to the crowd) has been found dead, felled in his armchair by an apparent heart attack. But Fandorin suspects an unnatural cause. His suspicions lead him to the boudoir of the beautiful singer– " not exactly a courtesan " –known as Wanda. Apparently, in Wanda ' s bed, the general secretly breathed his last. . . . From the Trade Paperback edition.

Drawing on archaeological research, an expert account of the famous historical battle confirms many details recounted in Homer's epic account, from Troy's alliance with the Hittite Empire to the significant fire at the end of the twelfth century and facts
