High-Security Mechanical Locks comprehensively surveys and explains the highly technical area of high security locks in a way that is accessible to a wide audience. Well over 100 different locks are presented, organized into 6 basic types. Each chapter introduces the necessary concepts in a historical perspective and further categorizes the locks. This is followed by detailed 'how it works' descriptions with many pictures, diagrams and references. The descriptions are based on actual dissections of the real locks. The scope is limited to key operated mechanical locks, thus keyless combination locks and digital locks are not covered. The book does not deal with routine locksmithing topics such as installation and servicing of locks. The sensitive area of picking and bypassing of locks is dealt with only at a high level without giving detailed information that would be unacceptable in the wrong hands. * Comprehensive coverage of over 100 different types of 19th and 20th century key-operated locks, unified in a simple classification scheme * Detailed operating principles - clear 'how it works' descriptions * Manipulation resistance rating for each lock on a scale of 1 to 5

"Horst Schulze created a culture of service that should be a role model for all of us. By committing to the highest standards of professionalism - and creating the right systems to achieve them - he inspired thousands of people to embrace and embody the core ideal of sheer unadulterated excellence. With this profoundly useful book, Schulze now shares his story, and his methods, so that the rest of us can be uplifted and taught by the master himself." -Jim Collins, author of Good to Great, co-author of Built to Last "Horst Schulze's influence on my family and our business is undeniable. His approach to customer service revolutionized the hotel industry and set a high bar for all of us. His new book, Excellence Wins, weaves Horst's personal story with the practical wisdom he's gleaned from an incredible career of servant leadership. It's a must read for leaders and anyone passionate about serving people." -Dan Cathy, chairman and CEO, Chick-fil-A "" CEOs, Leaders without titles. Startups. Corporations. For-profits. Nonprofits. It doesn't matter who you are or what you do - you want to become the best. You want to win, every time. Horst Schulze knows how to win. In Excellence Wins, Schulze, in his absolute no-nonsense approach, shares the visionary and disruptive principles that have produced immense global successes over the course of his still-prolific fifty-year career. As the co-founder and former president of Ritz-Carlton Hotel Co., Schulze fearlessly led the company to unprecedented multi-billion dollar growth, setting the business vision and people-focused standards that made the Ritz-Carlton brand globally elite. Schulze's principles are both versatile and utterly practical to leaders of every age, career stage, and industry. You don't need a powerful title or a line of direct reports - you have everything you need to use them right now. If you're searching for the blueprint to beating the competition and out-performing everyone around you, look no further than Excellence Wins. Schulze pulls no punches as a masterful guide to becoming the very best in a world of routine compromise. Unless the disruptive power of your true potential, own your career trajectory, and experience the game-changing proof firsthand: Excellence Wins.

The International Encyclopedia of Hospitality Management is the definitive reference work for any individual studying or working in the hospitality industry. This new edition updates and significantly revises 25% of the entries and has an additional 20 new entries. New online material makes it the most up-to-date and accessible Hospitality Management encyclopedia on the market. It covers all of the relevant issues in the field of hospitality management from both a sectoral level: Lodging, Restaurants/Food service, Time-share, Clubs and Events as well as a functional one: Accounting & Finance, Marketing, Strategic Management, Human Resources, Information Technology and Facilities Management. Its unique user-friendly structure enables readers to find exactly the information they require at a glance; whether they require broad detail which takes a more cross-sectional view across each subject field, or more focused information which looks closely at specific topics and issues within the hospitality industry today.

This title provides the reader with complete coverage of high-rise security and safety issues. It includes comprehensive sample documentation, diagrams and photographs to aid in developing security and fire life safety programs
