Wrg Armou and Infantry 1925 - 1950. Although our title gives precedence to armoured warfare, this set of rules is equally suitable for combat between infantry companies, and is the first to make realistic provision for all the fringe areas such as communication, engineering, air attack, obstacle clearance, fighting in fortifications, off-table fire, air observation, target location, weather, all types of terrain and the reaction of troops to combat stress.

Wrg Wargames Rules 1685-1845 - review. This is another review in the Once and Future Rules series, of wargame rules that are out of print, but that got a lot of play at one time (at least, in the clubs and groups I played in since the early 1980s). The version of the rules that I own (physically), and that I am reviewing here, are from July 1979. There was evidently an earlier release that same year, and also a release in Australia (with a yellow cover).
